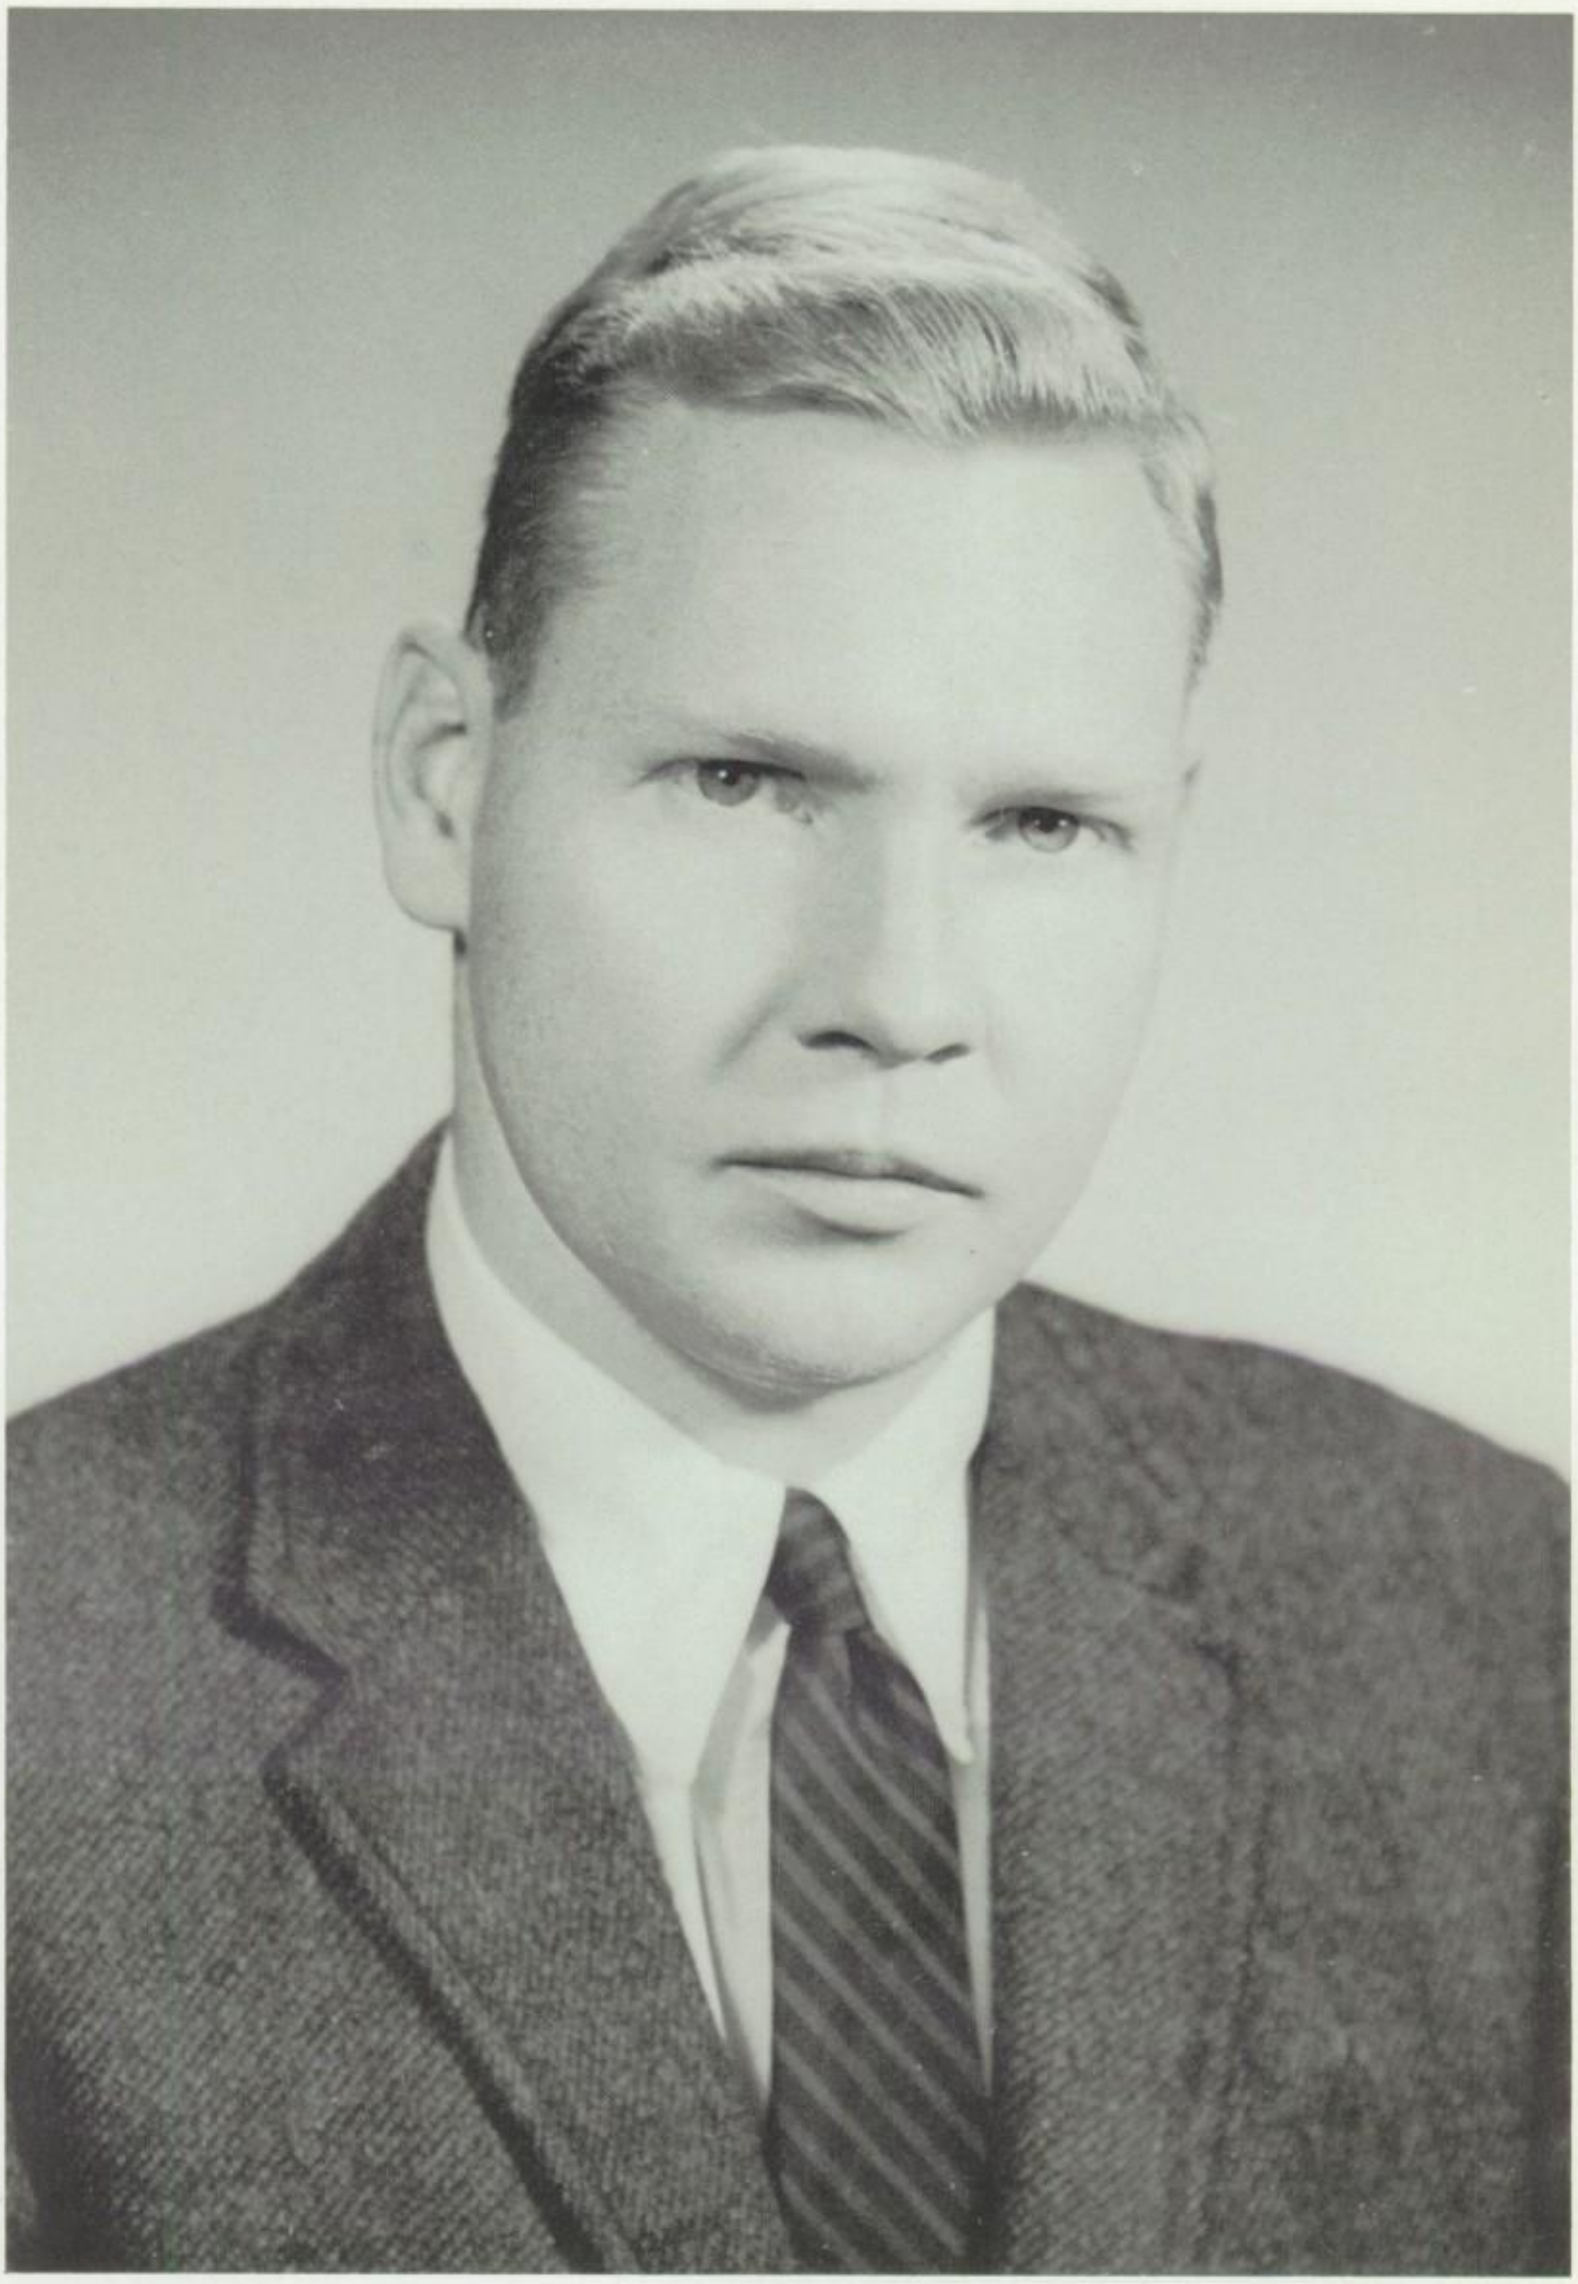
The Yearbook of

KIMBALL UNION ACADEMY

Meriden, N. H.



To use the famous figure of Socrates, the teacher is a kind of intellectual midwife helping to give birth to new ideas and insights, helping the student to sharpen his appreciations, his perceptions, his ability to think for himself. This is demonstrably true at Kimball Union.

David E. Horan has served the Academy for five years as teacher and coach. During his tenure he has earned the respect and confidence of many of his students. In dealing with these students he has assumed the varied roles of counselor and conversant, mentor and friend.

DEDICATION

To a man who has put his dedication to the ideals of learning above all else, we dedicate our yearbook as a lasting, though token, expression of our gratitude and respect.

THE PORTERS

Kimball Union will feel a loss at the retirement this year of Wayland Porter. A teacher for thirty years at the Academy, Mr. Porter has taught both Mathematics and Physics, and has been involved in innumerable projects the benefits of which the Academy will always realize.

Kimball Union will feel as well the loss of Mr. Porter's wife Bertha, whose presence in the library and at the many and various social functions in which she participated will be strongly missed.

The *Concordia* wishes to join the faculty, students, alumni, and others in congratulating the Porters for their productive lives here at the Academy, and in wishing them many happy years in the future.

THE HEADMASTER'S ADDRESS

FREDERICK E. CARVER,
B.S., M.A., Dartmouth College;
Ed.D., Norwich University.
Appointed 1936
Appointed Headmaster 1952

My congratulations to the members of the class of 1965 for the successful completion of their work at Kimball Union.

I think you will agree that this past year has been one which will stand out in your memories. We got off to a good start last September when the fall athletic teams developed such excellent spirit, culminating in an undefeated football team which will be remembered as much for its enthusiasm as for the number of games won.

The Student Council, under excellent leadership, cooperated with the administration in trying to plan actions which would make Kimball Union a better school. The number of candidates for the glee club last fall set a record, and it was noted that at the end of the first marking period more boys than usual were on the Honor Roll. As the year developed this excellent spirit of the early weeks carried over into other activities and athletic teams, culminating in a most pleasant two days of Commencement.

The year was not without its disturbing factors, however. With the knowledge that this would be a most difficult year for college admissions, nearly every senior developed an anxiety about his college plans. The importance of grades, class standing, and College Board scores were sources of worry. Being scholastically qualified for a college was no longer the answer, you realized. You were competing with many other qualified applicants for the available places.

In addition to these and other tensions, many of you were aware of the student unrest that existed on many college campuses this year. You wondered what this was all about; was the trouble stirred up by a few agitators or was the majority involved in this unrest? How would this sort of thing affect you in another year?

Much has been said and written about the pressures under which young people live during their developing years, and many deplore these tensions and express sympathy for the young men and women of today. I am of the opinion that, for the majority, most of these pressures are beneficial. They have kept you from being complacent about your future plans, and complacency is the chief enemy of young people in this land of plenty. That you have had to struggle to get into college and that the next few years will be difficult ones all goes to strengthen your character, in my opinion. Realization that this country has tremendous social and international problems to solve in the near future will not only keep you from being complacent, but should make you determined to prepare yourselves at college so that you may help solve these problems and be worthwhile members of society.

So, in appreciation of your cooperation during your careers at Kimball Union and in acknowledgement of the manner in which you have handled yourselves during these years, I wish you the best of success in the future.

Clockwise, From Left: Dr. Deming, Dr. Carver, Dr. Coe, Mr. Johnson, Dr. Brown, Dr. Poling, Mr. Burroughs, Mr. Tracy, Mr. Townsend, Mr. Howland.

JUNIORS

Throughout the entire year the Junior Class has shown itself to be a class composed of serious students who have ably met the challenges and opportunities with which they have been faced.

Superiority was displayed in the classroom by such honor students as Phil Anderson, Bob Meyer, Sherm White, Fred Cook, and John Kluge, to name but a few.

Juniors were extremely active in all phases of extra-curricular endeavor. They were well represented on the newspaper, the Players, Art, the Glee Club, and the other activities by Kluge, Leo Schlafman, Richard Praeger, Kevin Hough, Bill Hardy, and others. Leading the class as officers and Student Council representatives were Bill Luria, Peter Russem, Schlafman, Hough, and Jeff Palmer. In the closing days of the year Hough was chosen to lead next year's Council. As athletes, the class was outstandingly represented on the various playing fields by Palmer, Luria, Allen Martin, Rick Worthen, Chris Harley, Dexter Perry and Alex Dulac.

The Class of 1966, having manifested its desire and ability to contribute to life of the school and its students, should easily be able to assume the role of school leader next year.

First Row, Left to Right: Brown, R., Smith-Peterson, Page, Keil, Moss, Hakuta, Chipman, Hudson, Randall, Soden, Feresten, Rosenfeld. *Second Row, Left to Right:* Cook, M., Dodge, Hill, Farnham, Mann, Hayes, Jamback, Hoelle, Sacks, del Rio, Hamilton, Senuta. *Third Row, Left to Right:* Riley, Whitney, Anger, Sheldon, Gadd, Brown, W., Fox, Adler, French, Wallis, King, Biebel.

SOPHOMORES

This year's Sophomore Class had many outstanding members. Scholastically and athletically they excelled.

Scholastic excellence was displayed by Dave Biebel, Bob Sacks, Glen Hudson, and others. Sophomores assumed active and important roles in all of the varied extra-curricular activities. In this broad area they were led by such notables as Sacks, Hudson, John Keil, Rocky Mann, and Duncan Hill. They were led in the area of Student Government by President Hudson and Student Council representatives Mann and Biebel. The class had several outstanding athletes, many of whom contributed substantially to the Academy's athletic activities. A few of those athletes were Kim Adler, Gavin Fox, Jack Hayes, Win Brown, and Mann.

The members of the Class of 1967 have displayed their ability and willingness to participate in all phases of school life. They should be able to assume the added responsibility that the Junior year will bring.

First Row, Left to Right: Jason, Heald, Merryman, Cushing, Morrison, Heffron, Hopper, Warner, Balch. *Second Row, Left to Right:* Pawley, Willey, Whitworth, Hockmeyer, Phillips, Smith, C., McKee, Matthews, Lyle.

FRESHMEN

In their first year, the members of the Freshman Class adjusted to the new responsibilities and demands inherent in preparatory school life.

The class was led scholastically by honor students Kris Balch, Geoff Heald, Bill Morrison, and Jock Crook. The members of the class elected Balch, Morrison, Ken Heffron, Chris Smith, and Heald to the various available posts as class officers and members of the Student Council. Athletically there were many Freshmen who excelled and should become assets to Kimball Union teams in the coming years. Those noted for their activities on the playing fields were Eric Hockmeyer, Dean Phillips, Peter McKee, and Frank Willey. Jody Warner became an important figure in extra-curricular activities when he was appointed Photography Editor of the newspaper late in the year.

The fact that the members of the Class of 1968 were able to overcome the many difficulties of their first year and go on to contribute noticeably to the affairs of the Academy is important. They should be able to continue this early trend throughout their years at Kimball Union.

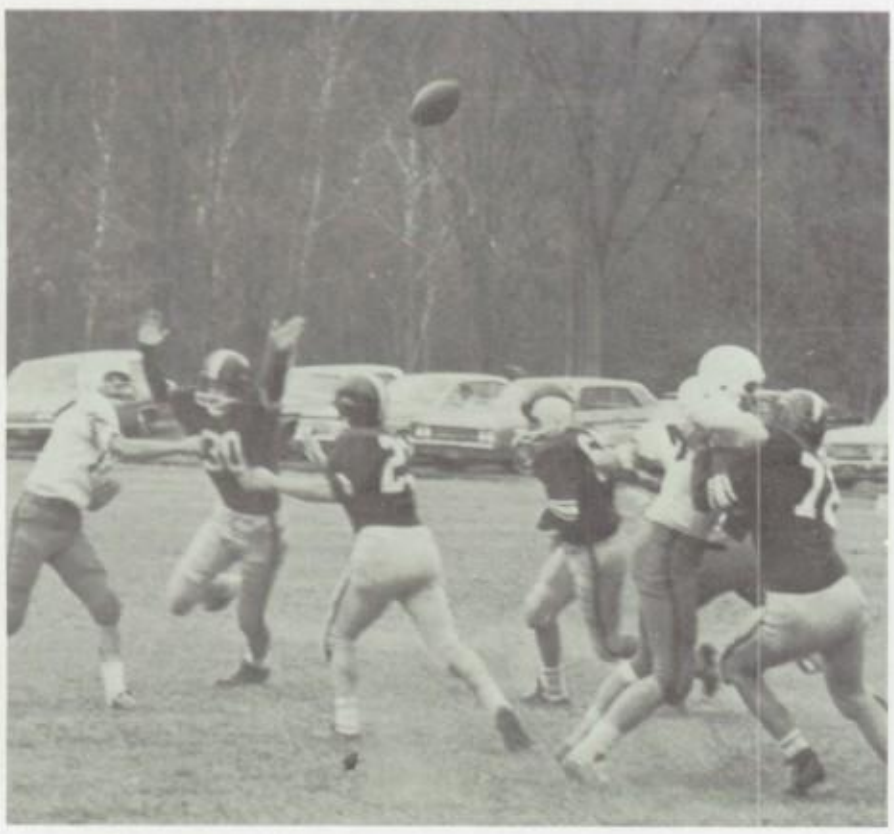
VARSITY FOOTBALL

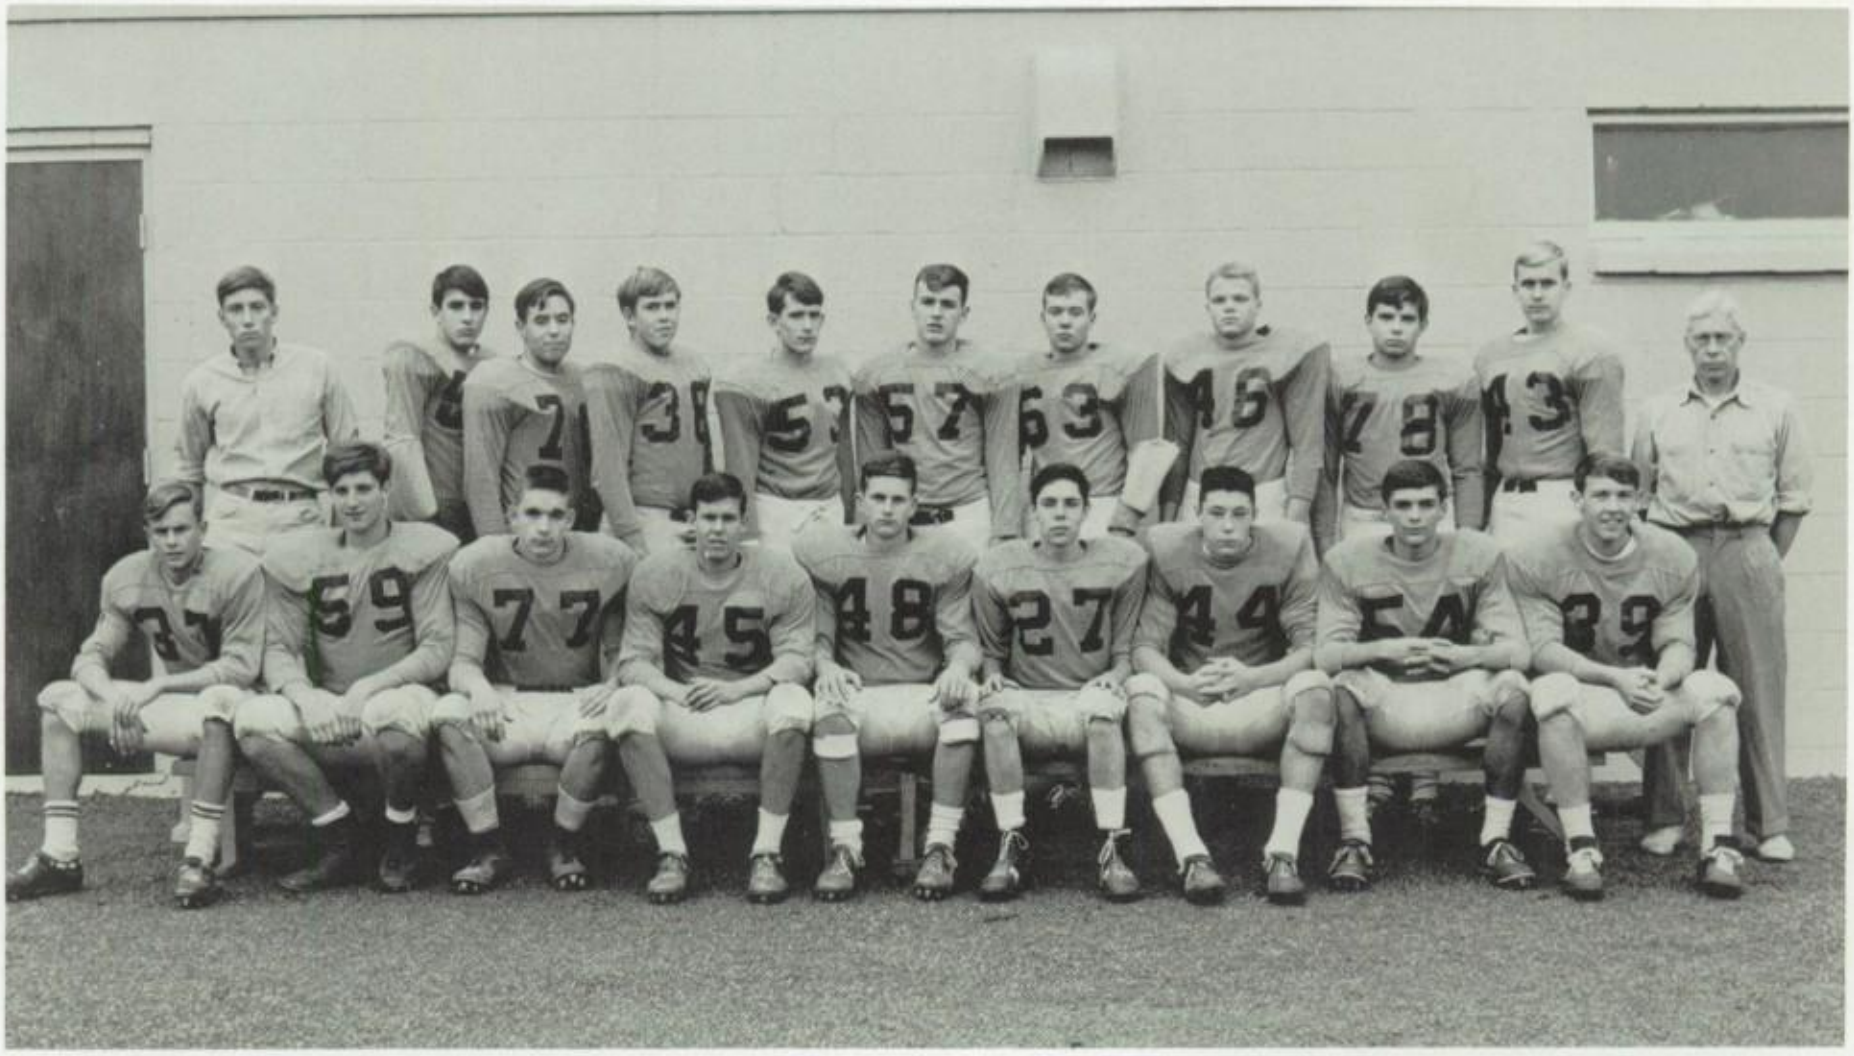
This year's Football Team surprised just about everyone concerned by becoming the first undefeated and untied team at Kimball Union in ten years. Despite the fact that the team was obviously hampered by injuries early in the season it still managed to press on to victory in all of its six contests.

Captain Ben Bessette's running speed coupled with Bucky Doria's running strength made the team a constant threat on the ground. Bob Regan's passing to Charlie Buell and Ed Bove added much to the team's excessive offensive strength. The powerful offensive line led by Horace Brockway accounted, in part, for the potent passing and running attack. While the defense contributed greatly to the team's victorious efforts it remains difficult to choose any defensive player who was more outstanding than the others.

As the prospect of an undefeated season seemed within reach the pressure on the team mounted and the players found it increasingly difficult to score. But, the team's defensive ability enabled it to complete the season without experiencing defeat.

Although the team possessed a good deal of talent it is generally agreed that the element of tremendous team spirit was an important factor in the team's success. The guidance of the coaches and the leadership of the captain helped generate this enthusiasm.



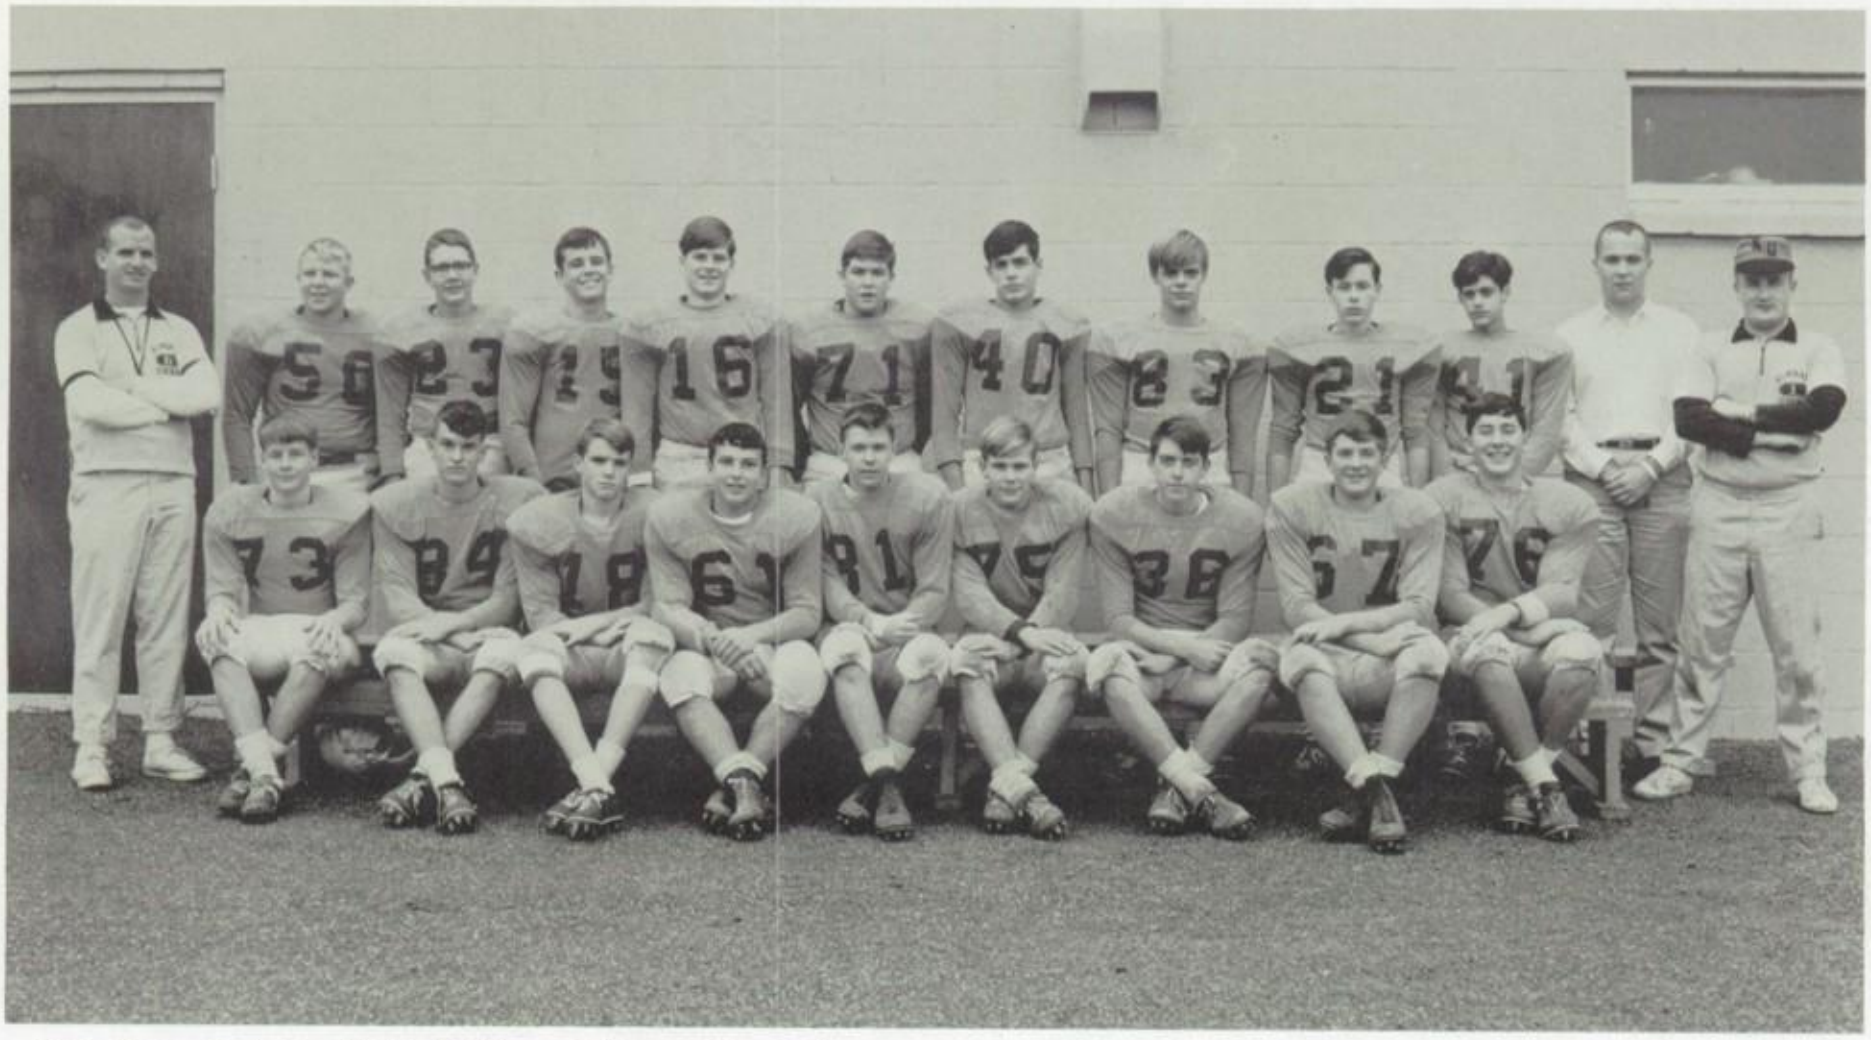


First Row, Left to Right: Wilkins, Hummel, Cook, F., Russem, Benware, Viviano, Condon, Sheldon, Hough. *Second Row, Left to Right:* Smith, R. (Manager), Martin, White, Ladenburg, Agent, Keating, Pearce, Mayo, Besaw, Meyer, Mr. Douglass.

JUNIOR VARSITY FOOTBALL

The Junior Varsity Football Team posted a record of two wins, three losses, and one tie. The tie came against the Tilton School's J.V.'s. The two wins came in the latter part of the season over the team's Hanover and Holderness counterparts. The first two losses were suffered at the hands of New Hampton and Vermont Academy. The sixth and final game of the season was the third loss. It was an unfortunate second defeat by celebrated rival, Vermont Academy.

The team's roster included such outstanding J.V. footballers as Peter Russem, Tom Viviano, Chip Matflerd, Ray Wilkins, and others. These players, and indeed, all the members of the team, displayed their ability to block, tackle, and score well.



First Row, Left to Right: Phillips, Balch, Cobb, Chipman, Gray, Marvin, Brown, W., Burrough, Parker. *Second Row:* Mr. Brunell, Hoelle, Chellis, Hayes, Rutledge, Greaves, Willey, Whitworth, McCusker, Jason, Rogers (Manager), Mr. Bishop.

RESERVE FOOTBALL

Kimball Union's Reserve Football team posted a relatively distinguished record of three wins, one loss, and two ties. The season might have been a notable success had four touchdowns not been disqualified on official penalties. The highly spirited team moved in unity under the leadership of Jack Hayes. The passing of Hayes and the running skills of Win Brown, and Jeffrey Rutledge accounted, in part, for the team's performance. The Reserve team manifested its offensive power in a 24-0 victory over its Windsor counterpart. The team's defensive power was responsible for the important victory over celebrated foe Vermont Academy. In that contest Jim Gray intercepted a Vermont pass and ran for a touchdown. Other defensive notables were David Marvin and Bob Greaves.

What success the team attained was due, in large part, to the guidance of Coaches Paul Brunell, and Steve Bishop.

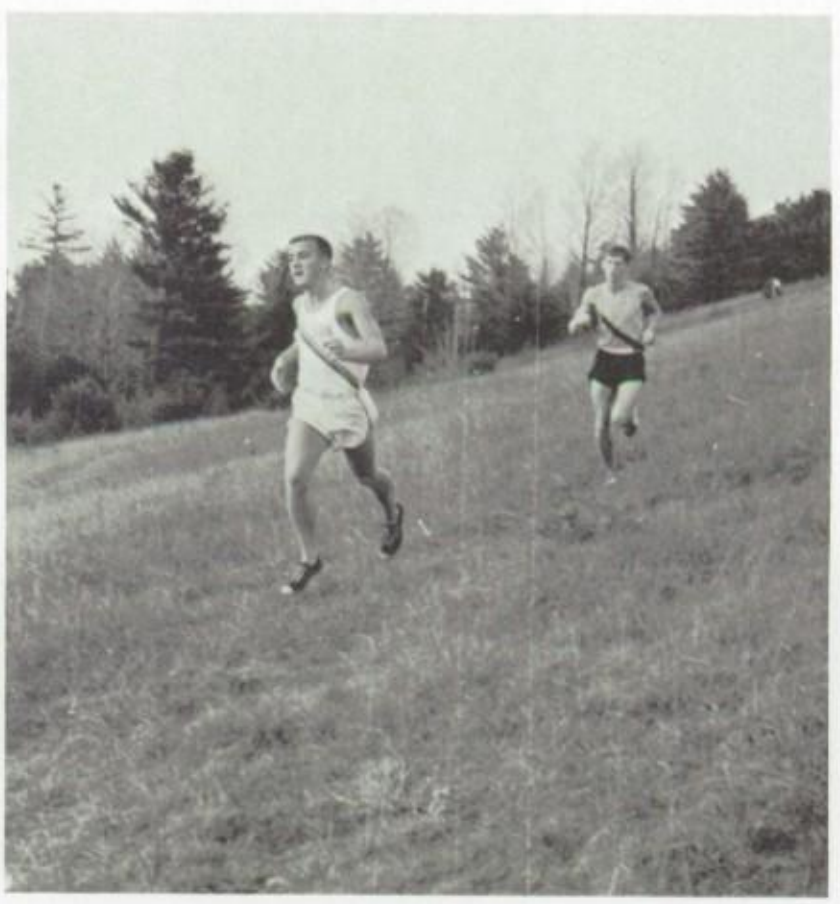
First Row, Left to Right: Pringle, Hendrick, Devost, Kelsey. *Second Row, Left to Right:* Biebel, Bove, J., Bailey.

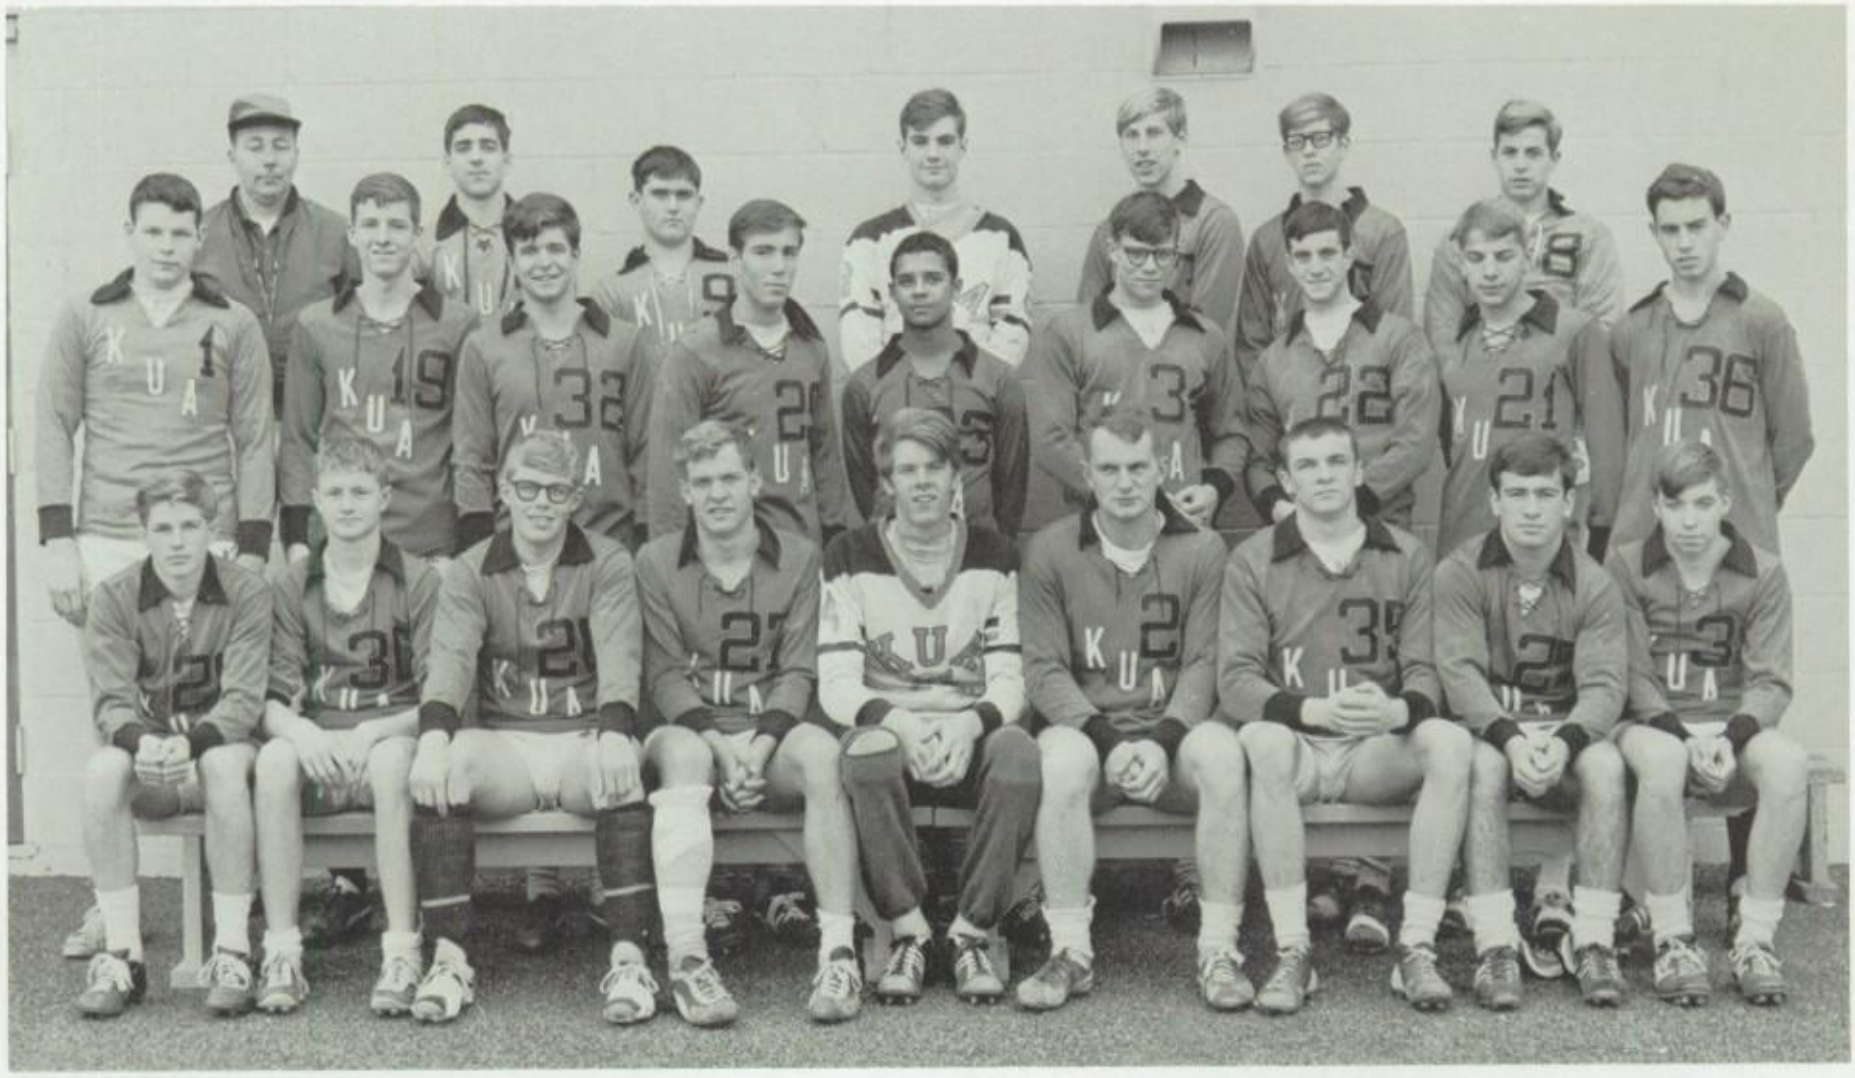
CROSS COUNTRY

The Cross Country team had a poor season this fall which was apparently due to the relative inexperience of its members. In the first meet, out of four schools represented, Kimball Union placed third. In the next triangular meet our team placed a dismal third. Losses to Windsor, Stevens, and Tilton followed. Those defeats were followed by a perfect score victory over La-Salette. The team went on to lose its remaining two meets and abstained from participating in the Interscholastics at Phillips Andover. That multischool meet coincided with our Parents' Day.

In addition to the varsity letters, Junior Varsity letters were awarded to Ken Hakuta, Ken Knight, Rick Stewart, Bob Marvel, and Bob Mahler.

Those involved with the team, including Coach Fuller, look forward with unusual optimism, for a larger, more able turnout with which to work next fall.





First Row, Left to Right: Crook, D., Mann, Leach, Currier, Gale, Schilling, McGlynn, Dulac, Hudson. *Second Row:* Schlapp, Palmer, A., Magee, Rowland, Palmer, J., Sears, Wynn, Schild, R., MacNeary. *Third Row:* Mr. Foley, Barwick, LaBombard, Praeger, Adler, Garrett, Trowbridge.

VARSITY SOCCER

Last fall the Kimball Union Varsity Soccer team had its least successful season in recent years. The team ended the season with a 5-5 record which was not at all indicative of what was thought to be its actual strength. The team was dealt two disappointing blows —one by Dartmouth and one by Norwich—late in the season, but recovered sufficiently and went on to win its final two games.

The consistent, aggressive play of Captains Currier and Schilling stood out all season as did that of skillful wing-man John MacNeary. Captain-designate Alec Dulac contributed greatly to the team's efforts and should be a notable asset to the team he will lead next fall.

Although several competent candidates were under consideration for the Alexander S. Montgomery Soccer Award, it was presented to Captain Timothy Currier for the admirable qualities of excellent leadership and active enthusiasm that he displayed throughout the duration of a less than successful season.

CONCORDIA

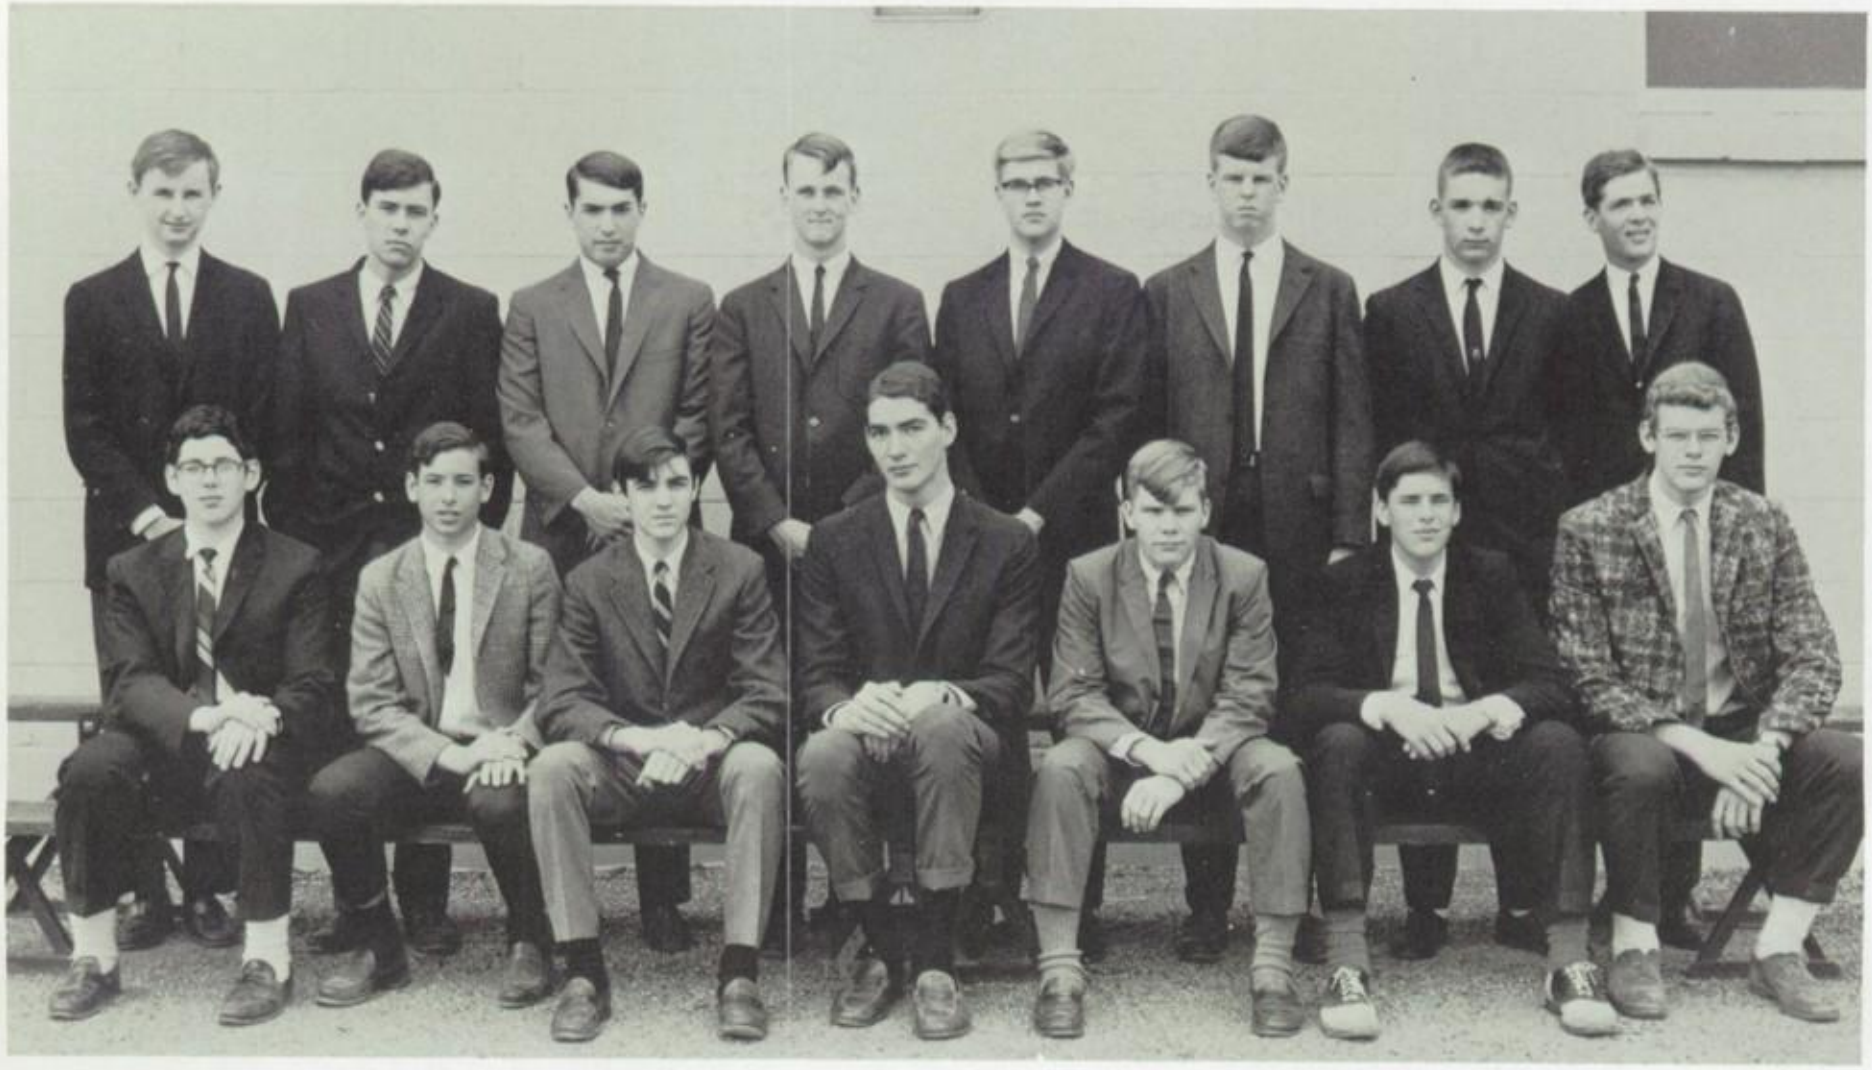
Yearbooks seldom undergo basic or radical changes from one year to the next. The 1965 *Concordia* was hardly an exception.

At an assembly of those Seniors interested in becoming members of the *Concordia* staff the editorial board in charge of that venture was chosen. Robert P. Athanas was elected Editor-in-chief. Others elected were: William Codinha, Assistant Editor, Lyle Snider, Copy Editor, John Hynes, Senior Section Editor, Jonathon Magee, Sports Editor, Louis Constantine, Activities Editor, Dan Rogers and Arnaud de la Gueronniere, Business Managers, and Fred Thornton, Photography Editor. To provide Thornton with a much needed Darkroom worker, Athanas appointed Tom Jackson, Assistant Photography Editor.

The Editor provided the direction towards the yearbook's completion and did much trivial work as well as serving in an organizational capacity.

A policy decision was reached by which whatever revisions and eliminations seemed necessary to improve the quality of the yearbook would be made. All the efforts resulted in success as the *Concordia* remains an accurate recorded reflection of the year at Kimball Union.

Much of the success of the annual endeavor was attained due to the invaluable assistance of William Judson of the faculty.



First Row, Left to Right: Schlafman, Sacks, Athanas, Blanchard, Marvin, Warner, Scott. *Second Row, Left to Right:* Kluge, Hardy, Prowda, Smith, K., Jackson, Barton, Cook, F., Denton.

The KIMBALL UNION

Continuing under the capable, though controversial, direction of Editor James Blanchard, the *Kimball Union* again proved a valuable and informative journal of both fact and opinion. Blanchard wrote both the paper's editorials and his extremely controversial signed opinion column, *Here I Stand*. Much discussed opinions were also contributed by Assistant Editor Robert Athanas while Assistant Editor David Marvin served as an important asset to the News and Features Departments. The efforts of Bud Enquist, Business Manager, resulted in unprecedented advertising revenue for the paper. The Photography Department, which saw much difficulty this year, started under the direction of Fred Thornton.

As is dictated by Academy tradition the annual changes in the hierarchy of the *Kimball Union* took place and were announced in the December issue. John Kluge and Leo Schlafman became Editor and Assistant respectively. Enquist remained in his Business position. Owing to unforeseen developments Thornton remained as Photography Editor until he resigned to adequately fulfill other, more demanding commitments. Upon his resignation he was immediately replaced by Freshman George Warner.

Though Kluge and Schlafman are thought to be competent, their tenure is proving to be far less controversial than that of their outspoken predecessors. However, the *Kimball Union* goes on and remains a school journal of excellent quality.

STUDENT COUNCIL

This year's Student Council embarked on an unusually effective and vigorous program of action. Under the leadership of Council President, Arnaud de la Gueronniere, a serious attitude was adopted. All of the members manifested a sincere desire to present logical and cogent proposals for Council consideration. The Headmaster, placing great confidence in this year's council, attended many meetings to present what he calls "the other side." Dr. Carver supported many student measures and offered constructive criticism in attempting to improve upon others.

The Council accomplished a great deal more than has been the case in years past. Arrangements and accommodations were made for dances with girls' preparatory schools. A television set was purchased and placed in the D.R. Lounge (which was rapidly transformed into the "T.V. Room"). Student Cards for identification purposes were printed and sold to the students at a nominal fee. A Senior Room was established as a social focal point in which a relaxed atmosphere was available. The Council was also a prime mover in the staging of a successful Talent Show. That enjoyable evening enabled the student body to present the Mary Hitchcock Hospital with a beneficial check.

The Student Council has finally evolved into an effective body. It is sincerely hoped that the trend established this year will be continued next year and in years to follow.

ORANGE KEY

The Orange Key is an organization of nine seniors. Six members are elected at the end of their Junior year by the vote of the entire student body, and the remaining three members are selected by the initial members. Although primarily an honorary society, the Orange Key does serve a purposeful function; it acts as host to any visitors of the Academy, especially teams from other schools.

This year, as in the past, the primary function of the Orange Key was to participate in the arrangements for Winter Carnival weekend, the major social function of the year. Next year the newly elected group hopes to fulfill its original duties as host and possibly achieve something additional for the school as well.

Those members elected as juniors were: Fred Mayo, Paul Schilling, Arnaud de la Gueronniere, Jody Magee, Tim Currier, and Ben Bessette. Those elected in their senior year were: Charles Buell, Jeff Prowda, and Tom Bailey.

First Row, Left to Right: Benware, Palmer, J., Schlafman, Stacy, Davis, Hakuta, Chipman, Cronin, Garrett, Matflerd, Sacks, Denton, Palmer, A., Constantine, Mr. Ingerson. *Second Row, Left to Right:* Wynn, Rowland, French, Hoelle, Farnham, Prowda, Daniels, Dochtermann, Reggio, Hardy, Costello, Hough, de la Gueronniere. *Third Row, Left to Right:* Smith, R., Sheldon, Moss, Page, Keil, Mann, Hayes, Sears, Scott, Bartlett, Pratt, Mayo, Hynes, Meyer, Rosenfeld.

GLEE CLUB

Under the general supervision of the always competent James D. Ingerson, the Glee Club experienced a very good year. A turnout of 65 boys was an encouraging note on which to begin the year. Usually practicing on two nights a week after supper, the club was molded into a fine singing group. When the time came for its first concert, all were thoroughly prepared. That initial Christmas concert was held at Mary A. Burnham School in Northampton, Mass. This concert proved to be successful.

The first concert of the winter term was held on Father's Weekend and the club sang all its selections in preparation for Northfield. That concert was thoroughly enjoyed by the fathers. The second concert of the term was held here with Vermont Academy with our student body in attendance. This was in preparation for the Glee Club's most important concert—the Preparatory Schools Festival held annually at the Northfield School. The concert was held jointly with five other glee clubs in Northfield's large auditorium before several thousand people. The K.U.A. Glee Club sang "When Johnny Comes Marching Home," "Soon ah Will Be Done," "With a Voice of Singing," and "Aurirang." This performance was one of the best all year for the Glee Club. The year came to an end with two anti-climactic concerts, one the Lakes Region Festival at Proctor Academy, and a concert-dance with Stoneleigh-Prospect School at Greenfield, Mass.

It must be noted that the main function of the Kimball Union Glee Club is to give every boy who so desires a chance to use his voice, as Mr. Ingerson believes that the Glee Club here should be a preparation for future singing.

I.V.C.S.

As opposed to last year's *Eight,* this year a larger group was started. Beginning as the *Sixteen,* the name was soon changed for lack of a better name to the *I.V.C.S.* The sixteen members of the group were drawn from last year's Glee Club. Half of the group graduated this spring, but replacements have already been chosen.

The *I.V.C.S.,* though rehearsing apart from the Glee Club, went with it to the yearly concerts, supporting them as well as presenting their own selections.

Among the numerous performances this year, the *I.V.C.S.* began with an informal presentation at the Meriden Parish House. After that came the Mary Burnham concert, then a short performance at Winter Carnival. The latter part of the year provided a busier schedule. Working with and without the Glee Club, the group sang at Father's Weekend. At the Northfield Concert the group participated in a solo selection, "O-Felie, O-Felia." The brighter side of the year came when they went to Stoneleigh-Prospect for their sixth performance. Next came the Lakes Region Concert, which was scheduled to end the year, but as an addition the group performed on class night.

To conclude an exciting year, the *I.V.C.S.,* with the aid of Mr. Ingerson, made a recording of their selections. The extra time put in by Mr. Ingerson in helping to make a tape recording of the year's selections was greatly appreciated by the members, as were his constant efforts throughout the year.

PLAYERS

The Kimball Union Players showed obvious improvement in 1965 under the superb general direction of Sara Townsend. The single play they presented was "Tea House of the August Moon," by John Patrick. The presentation was a comedy of a much higher variety than has been typical of Father's Weekend plays in the recent past. Mrs. Townsend set a definite schedule early in the year and insisted that it was to be diligently maintained. The actors and the stage crew took pride in their various jobs, as the prospect of a highly successful performance was apparently good. The lead parts held by Paul Cronin, Rick Knight, Rick Praeger, and Mrs. Ross were generally well rehearsed and well acted. The other actors, including a local goat, turned in equally competent performances. The stage work, under manager Dave Marvin, was done with maximum efficiency and imagination because of abundant technical and artistic skill. All was done under the strict but helpful guidance of Mrs. Townsend.

The precedents of fine directing and acting, perfection and cooperation that have been set this year make the prospects of a continuation of quality performances in the future bright.

CREATIVE WRITING

For a second year, Dr. David Bradley offered his Creative Writing courses. The courses, meeting twice a week were a non-credit extension of English Honors.

The boys in Dr. Bradley's two sections were urged to contemplate what literature had to say. They were asked to think and create for themselves. Ideas for discussion were drawn from both the studied published literature and the students' original works. The course provided an unrestrained forum for a wide range of ideas. The students were continually urged to think for themselves and express themselves. Critical evaluation was not infrequent. Self-evaluation and the critical analyses of a student's fellows proved valuable, though sometimes difficult, experiences.

Practice in thinking and writing were readily available as the students were continually striving to find the right words. In so doing they corrected, recomposed, and recorrected.

In late May the school published a small literary book, entitled the *Meridian,* which featured the works of the Creative Writing students, the Art students, and selected superior English students. Also, a series of literary discussions were held in which the Headmaster and several members of the faculty participated. The entire experience was, indeed, valuable.

STUDIO ART

A year after their introduction, the Studio Art courses under Mrs. Pat Musick remained popular elective courses. Mrs. Musick is pleased with the success of her courses and states: "At Kimball Union we are learning what it means to see, to know, and to respond. Often in the world of today we find that our curiosity, our sense of exploration and discovery, have given way to hurried inattention. Understanding potential for appreciation is being developed in these courses—through creating for ourselves."

Art classes I and II have been confined to designing and drawing after the study of line, space, form, tone, and outline. Art III has implemented acrylic (plastic) paints and other media in its varied experimentation.

In May, Mrs. Musick and five of her students attended the first preparatory schools "Visual Arts Festival" at the Mt. Hermon School. Of over three hundred pieces submitted a third prize in painting was awarded David Gale for a figure study entitled, *Dejection*.

The fine showing that our students made at the Arts Festival is a manifestation of the real success of the Art Program at the Academy. Mrs. Musick must receive much credit for providing a valuable experience, as well as an enjoyable one.

VARSITY SKIING

Kimball Union's Varsity Ski Team had a fairly successful season this year. Our own carnival on the Ira P. Townsend Ski Hill found the host KUA team second out of six teams, beating Holderness in three out of four events but slightly behind in total scores. At the Holderness carnival, however, the Kimball Union skiers beat the rival hosts.

At other times during the season the ski team defeated the Dartmouth freshmen in the total scores for four events, and soundly defeated the New Hampton Varsity in an alpine meet in Meriden. The ski team was third at the Vermont Academy carnival, which was comprised of only two events due to a lack of snow.

The season was climaxed by the Eastern Prep School Championships, organized this year by Kimball Union but held at Holderness due to a snow shortage. This meet was so well run that the schools decided to continue to run the meet themselves in the future, rather than have a college do it as was the practice in the past. Although Kimball Union had a chance of winning the Championships, they finished a respectable third out of twelve schools.

Although the season was considered successful, seven out of eight lettermen graduate this year, making next year what Mr. Judson calls a "building year."

JUNIOR VARSITY SKIING

Aside from unfavorable conditions the Junior Varsity Ski team had a successful season. In January, the Vermont Academy J.V.'s visited Meriden to participate in a meet. Shortly before the events were scheduled to begin it was learned that the New Hampton team was on its way to compete also; therefore, it was decided that a triangular would be held. The Kimball Union team scored 100 per cent in both events. In the slalom, Hughes took first with a combined time of 88.8. Praeger and Page followed with times of 88.9 and 93.4, respectively. In the giant slalom the J.V.'s took the first six places. Robertson was the winner of this event with a time of 33.0. Hughes and Page followed closely with times of 33.9 and 34.2, respectively.

At the Winchendon meet the conditions were so unfavorable that the meet was limited to two runs on a single slalom course. The results were extremely close with Winchendon the victor by .31 points.

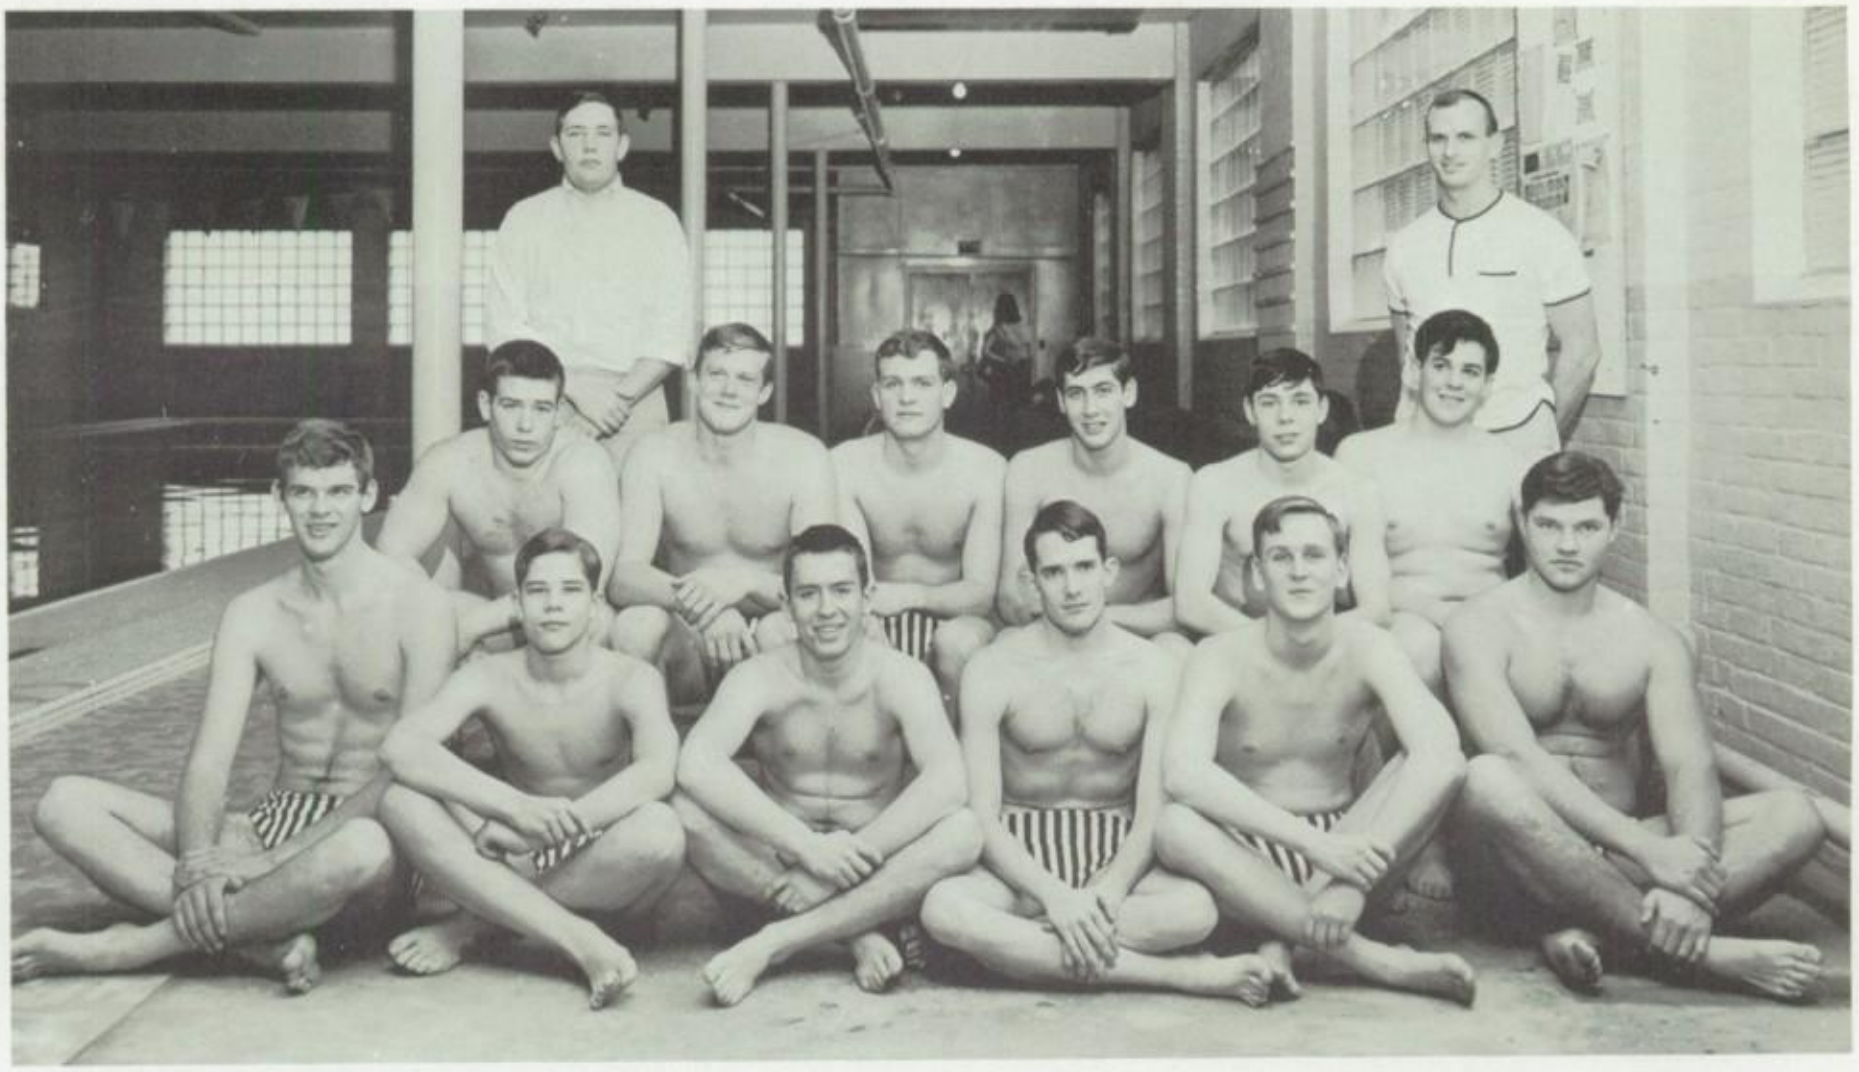
Throughout the season the skiiers displayed both dedication and talent, and were able to attain a successful year under their experienced coach, Mr. Jones.

First Row, Left to Right: Martin, A., Daniels, Davis, Wood, Burckes, Moss, Willey, Johnson, White, Schild, W., King, Thompson, Whitbeck. *Second Row, Left to Right:* Mr. Burke.

RESERVE SKIING

Once again there was a Reserve Skiing team at Kimball Union. Mr. Burkes coached the unusually large Reserve turnout and under his guidance the team developed rapidly into an adept group of skiiers.

When weather permitted practice was held, as last year, on the Potato Patch and on the Ski Hill. Again, when the often unfavorable conditions permitted, the team participated in its scheduled meets. Peter Wood, Skip Daniels and Sherm White were among those who turned in fine seasonal performances. The team was successful in that it allowed for practice and experience among those who wish to continue in racing and competition.

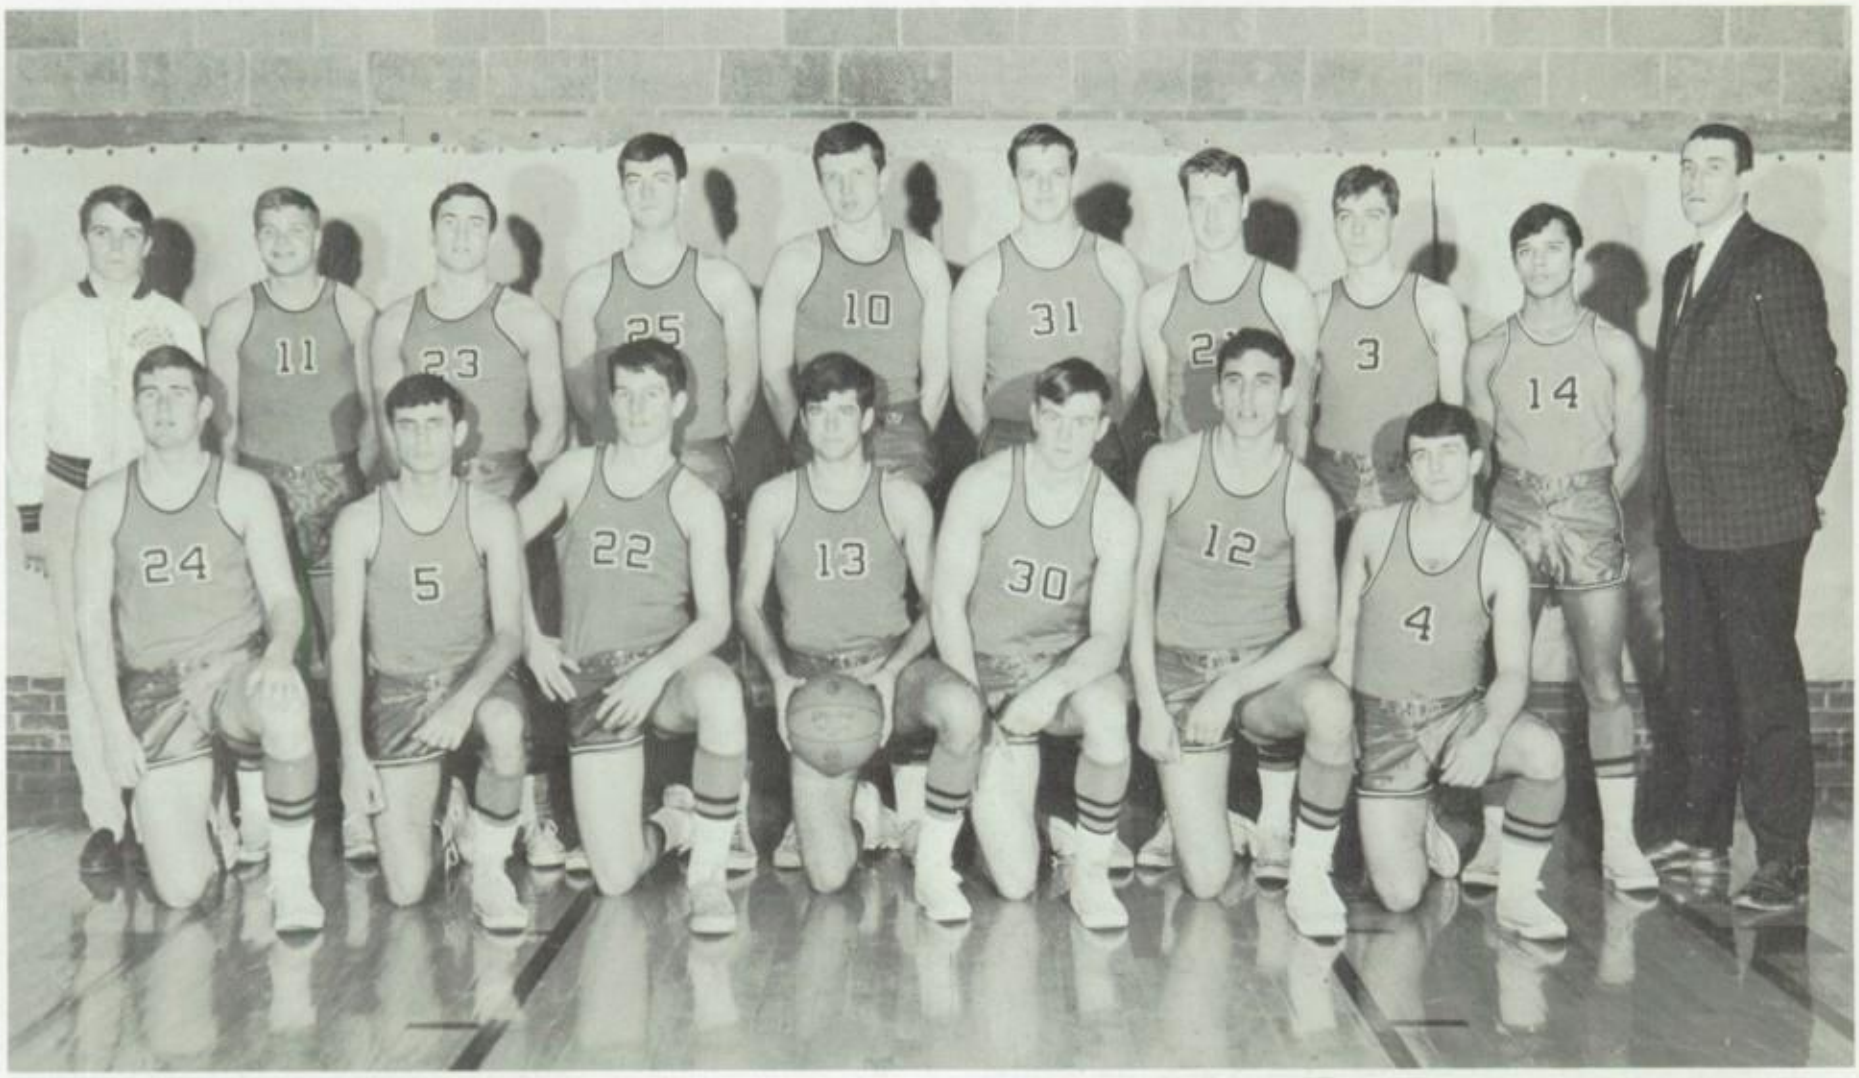


First Row, Left to Right: Scott, Heald, McCarrier, Agent, Smith, K., Klykken. *Second Row, Left to Right:* Kilgore, Worthen, Currier, Rome, Viviano, Matthews. *Third Row, Left to Right:* Wallis (Manager), Mr. Brunell.

VARSITY SWIMMING

The Varsity Swimming team suffered primarily from a lack of numbers rather than a lack of able swimmers. There were not enough participants to fill every event in the meets. But, from what material was available the team saw some exceptionally fine performances. Rick Worthen, Jeff Kilgore, Tim Currier, and Kim Smith were particularly recognizable for their able efforts. Special credit is due Peter Rome who, originally a free-style swimmer, switched to the breaststroke when seasonal illness removed Scott Kenney from competition.

The team, although manned by some fine swimmers, was unable to win a single meet. For their efforts throughout the unsuccessful season Rick Worthen and Peter Rome were named co-recipients of the Charles G. Stephanos Swimming Award.



First Row, Left to Right: Hynes, Bove, J., Coughlin, Magee, Buell, Bove, E., Noucas. *Second Row, Left to Right:* Cobb (Manager), Mayo, Bessette, Bartlett, Marvel, Bell, Larigan, Snider, Palmer, J., Mr. Gillam.

VARSITY BASKETBALL

Coach R. J. "Stretch" Gillam's Varsity Basketball team enjoyed a very successful season. They posted a record of 11-6 and were invited to the semi-finals of a preparatory school basketball tournament.

Gillam believes that the team's success was due to many related factors. The first of these was, of course, the ability and depth that the team displayed. He said further that another probable factor was the fact that this year's varsity was the most balanced team he has ever coached. Much of the degree of success attained must be attributed to the high morale which extended to every member of the team. Even those who occupied the bench for a good portion of the season contributed greatly to the team's efforts by way of moral, when not active, support.

Many players were outstanding and high scoring among them was not uncommon. In the losing effort against Mt. Hermon, Coughlin scored twenty-seven, and Buell twenty-one. In the Tilton game Joe Bove scored twenty-three, and in the Castleton contest Captain Jody Magee had a total of sixteen. Other such totals were frequent.

For his efforts throughout the season Joe Bove was awarded the Herb Glick Basketball Cup.

JUNIOR VARSITY BASKETBALL

The Academy's Junior Varsity Basketball Team finished its season with a good record of seven wins and four losses. Despite a disappointing slump at season's end the J.V.'s under Coach Steve Bishop had a worthwhile and rewarding year.

After the team abruptly ended Lebanon's long winning streak, it suffered defeat, 48-45, at the hands of a strong Hanover team. It then went on to defeat La-Salette by a margin of over twenty points. The J.V.'s then suffered losses to Tilton and New Hampton. Still unable to pull themselves out of a disastrous losing streak the J.V.'s, with the aid of the Varsity "B" team, failed to defeat Winchendon's Varsity.

The J.V.'s, however, enjoyed an excellent season when compared to last year's winless debacle.

First Row, Left to Right: Crook, D., Sacks, Gray, Whitney, Chellis, Balch, Sheldon, Dunsmore, Lambert, Mr. Gallo. *Second Row, Left to Right:* Feresten (Manager), Cobb.

RESERVE BASKETBALL

The Reserve Basketball team, under the coaching of Sal Gallo, had a season of seven wins and five losses. The team scored a big, 61-36, victory over the Winchendon Junior Varsity. That game was followed by two victories over rival Vermont Academy by scores of 33-32 and 45-21. Hartford and New Hampton counterparts were among those the Reserves also de feated.

Jim Gray, Jim Dunsmore, and Danny Crook were among those whose performances were outstanding, while all members of the team displayed unusual enthusiasm for the game.

The season was successful in that it offered experience to those who would wish to continue in the sport. The assistance of head coach R. J. "Stretch" Gillam was an obvious asset toward gaining that experience.

First Row, Left to Right: Duplessis, Boynton, Leach, McGlynn, Schilling, Gardent, Perry. *Second Row, Left to Right:* Mr. Akerstrom, Meltzer (Manager), Marvin, Harley, Greaves, Russem, Holland (Manager), Harris (Manager). *Third Row, Left to Right:* Matflerd, Smith, R., Palmer, A.

VARSITY HOCKEY

Although the Varsity Hockey team was plagued by the fact that it had few players of varsity caliber, it was able to have a successful season. It is difficult for a handful of players to occupy the ice for an entire game, but in the difficult contests, against tough opposition, this was often the case. Captains Michael Leach and Paul Schilling along with Paul Gardent were successful scorers, while goalie Jack McGlynn effectively tended the goal. Underclass players such as Juniors Chris Harley, Jim Boynton, and Dexter Perry are potential threats to the Academy's opponents next year.

Throughout the year the members of the team played well and fought hard. Several close games, in which opponents such as the Norwich Freshmen were able to capitalize on the team's errors, were lost.

Paul Schilling and Jack McGlynn, it was announced, are the co-recipients of the James C. Hayes Hockey Award.

First Row, Left to Right: McKee, Garrett, Benware, Jamback, Hockmeyer, Burrough, Phillips, Stewart. *Second Row, Left to Right:* Mr. Douglass, Harris (Manager), Schlapp, Biebel, Hayes, Duffield, Meltzer (Manager).

JUNIOR VARSITY HOCKEY

The Junior Varsity Hockey team had a poor but unpredictable season as its degree of success and failure fluctuated greatly. The team found itself hindered by a lack of group experience and an early season lack of practice. Both of these factors rendered the team unable to work effectively as a unit. The turnout of sixteen candidates was the obvious reason for the lack of depth. The J.V.'s were woefully inept and disorganized without an effective first team. Thus, the early games were poorly played. Later in the season the team lost some disappointingly close contests in which they displayed a much greater degree of cohesion and ability. But, on the whole, the lack of scoring skill prevented the team from attaining success.

The better performances were given by Eric Hockmeyer, Peter McKee, Jack Hayes, and Fred Schlapp.

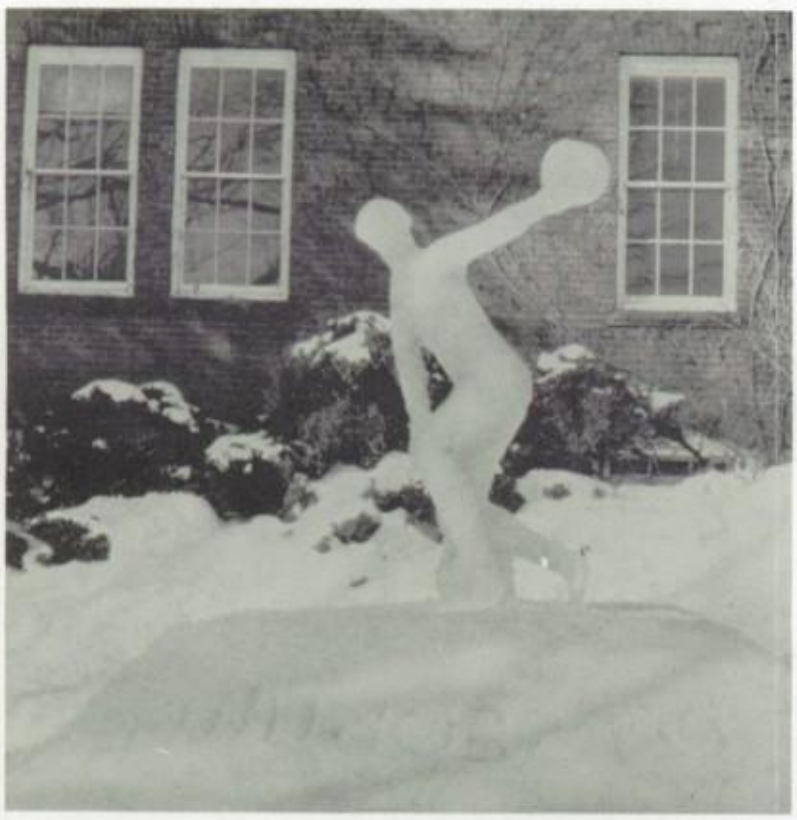
FEATURES

WINTER CARNIVAL

The hilltop took on an extraordinary appearance on Friday, the twenty-ninth of January. The long-awaited weekend of Winter Carnival had arrived. The girls, after settling in their Bryant Hall quarters, proceeded with their dates to a tea at the Headmaster's house. Later that evening, after dining in Miller, those who took an interest in Basketball went to the Gym where they watched our Varsity team defeat that of Vermont Academy. After the gym was cleared of athletes the traditional, informal "sock hop" was enjoyed. The executive committee had succeeded in retaining the "Renegades," a group from Dartmouth, thereby providing live entertainment rather than the usual records. The evening closed at about eleven o'clock when all retired to rest for the activities that were to come.

Saturday morning, reserved for late sleepers, began with the ski meet at the Ira P. Townsend Ski Area. A hockey contest was played against Vermont Academy, after which a buffet luncheon was available in Miller. Later in the afternoon, an informal tea was enjoyed at the Headmaster's house.

That evening the dining room was resplendent with formal gowns as the couples congregated for the candlelight dinner. They later proceeded to Dexter Richards where the formal dance was held in the old dining room. Much time and care went into the preparation of the decorations, making them much more impressive than those of recent memory.



Difficulties developed in the planned entertainment but talented improvision rendered the evening a success.

During the brief intermission for refreshments, a panel of faculty judges selected Miss Laurie Cameron, of Greenwich, Connecticut, Carnival Queen.

As the evening drew to a close the couples parted until the morrow. Sunday was a day of late rising and leisure, during which time was available for skiing, skating, or mere relaxing. The time then came for the girls to depart, thus marking the end of a successful and enjoyable weekend.

VARSITY LACROSSE

The Kimball Union Varsity Lacrosse team, although thought to have tremendous potential, ended the season with a dismal record of two wins, seven losses, and one tie. The first game was a 5-4 loss to Winchendon which set the trend for the entire season. Altogether, four games were lost by a one or two point margin.

After being roundly defeated at Proctor Academy by a score of 9-2, the team broke into the win column by defeating league-leading Lawrence Academy 8-1. In the next contest the K.U.A. stickmen lost a well fought game to Class "A" champion, St. Paul's. The final Kimball Union victory came when they defeated Deerfield 6-5 in double overtime. The final game, though ending in defeat, was a highlight of the season as the team lost to a strong Dartmouth Freshman squad, 11-3.

Co-captain Tim Currier, working with the first midfield of Schilling, Wild, and himself, kept the team spirit high at all times. Next year's co-captains Chris Harley and Jim Boynton played well on attack, while Currier's co-captain Bill Codinha, along with Jeff Kilgore, Paul Gardent, and Goalie Rocky Herron kept opposing goals at a minimum.

First Row, Left to Right: Gillam, J. *Second Row, Left to Right:* Coughlin, Clifford, Condon, McGlynn, Bessette, Prowda, Doria, Noucas. *Third Row, Left to Right:* Mr. Gillam, Wood, Capraro, Bartlett, Snider, Wilkins, Regan.

VARSITY BASEBALL

This year's Varsity Baseball Team had a fairly poor season. After hitting a high point of four wins and four losses the team hit a slump and lost several games in a row. However, enthusiasm, team spirit and the will to win remained high throughout the season, because the members of the team enjoyed playing baseball.

One of the reasons that the team was able to win as many games as it did was the fact that men were seldom left on base. Whether by hits, sacrifices, bunts or other devices the runner usually scored. When close games were lost it was because the team failed to bring in the men on base in the closing innings of the games. The team had a consistent and fairly powerful hitting attack led by George Noucas and Barry Coughlin, co-recipients of the Fred Wesley Wyman Baseball Cup.

Though the team's fielding was good at the start of the season, it deteriorated as the season progressed. The pitching efforts, led by Captain Ben Bessette, relief pitcher Peter Wood, and Lyle Snider, were usually competent.

JUNIOR VARSITY LACROSSE

The Junior Varsity Lacrosse team did not enjoy a successful season this year. After losing several close games the team was badly defeated by Lawrence and Holderness by scores of 9-1, and 10-1. In the Lawrence game the team's experienced counterpart was almost able to score at will. The single Orange goal was scored by Frank Willey. In the Holderness contest the only goal was contributed by Fred Schlapp who "golfed" the ball into the opposing goal. The Proctor game was the high point of the J.V. season in which the opponent was defeated 9-6. Additional players Arnaud de la Gueronniere and Buzz Schild who scored four goals, added greatly to the winning effort. Joining Schild in the scoring column were Praeger, Hough, Page, Chipman, and Willey. Also adding to what was a truly outstanding team effort were Ken Knight, Al Martin, and Walter Stred.

The team was perpetually unable to realize its scoring opportunities. A weak defense allowed the opponents to score with relative ease. The team, though most of its bids for victory were defeated, showed enthusiasm throughout the season.

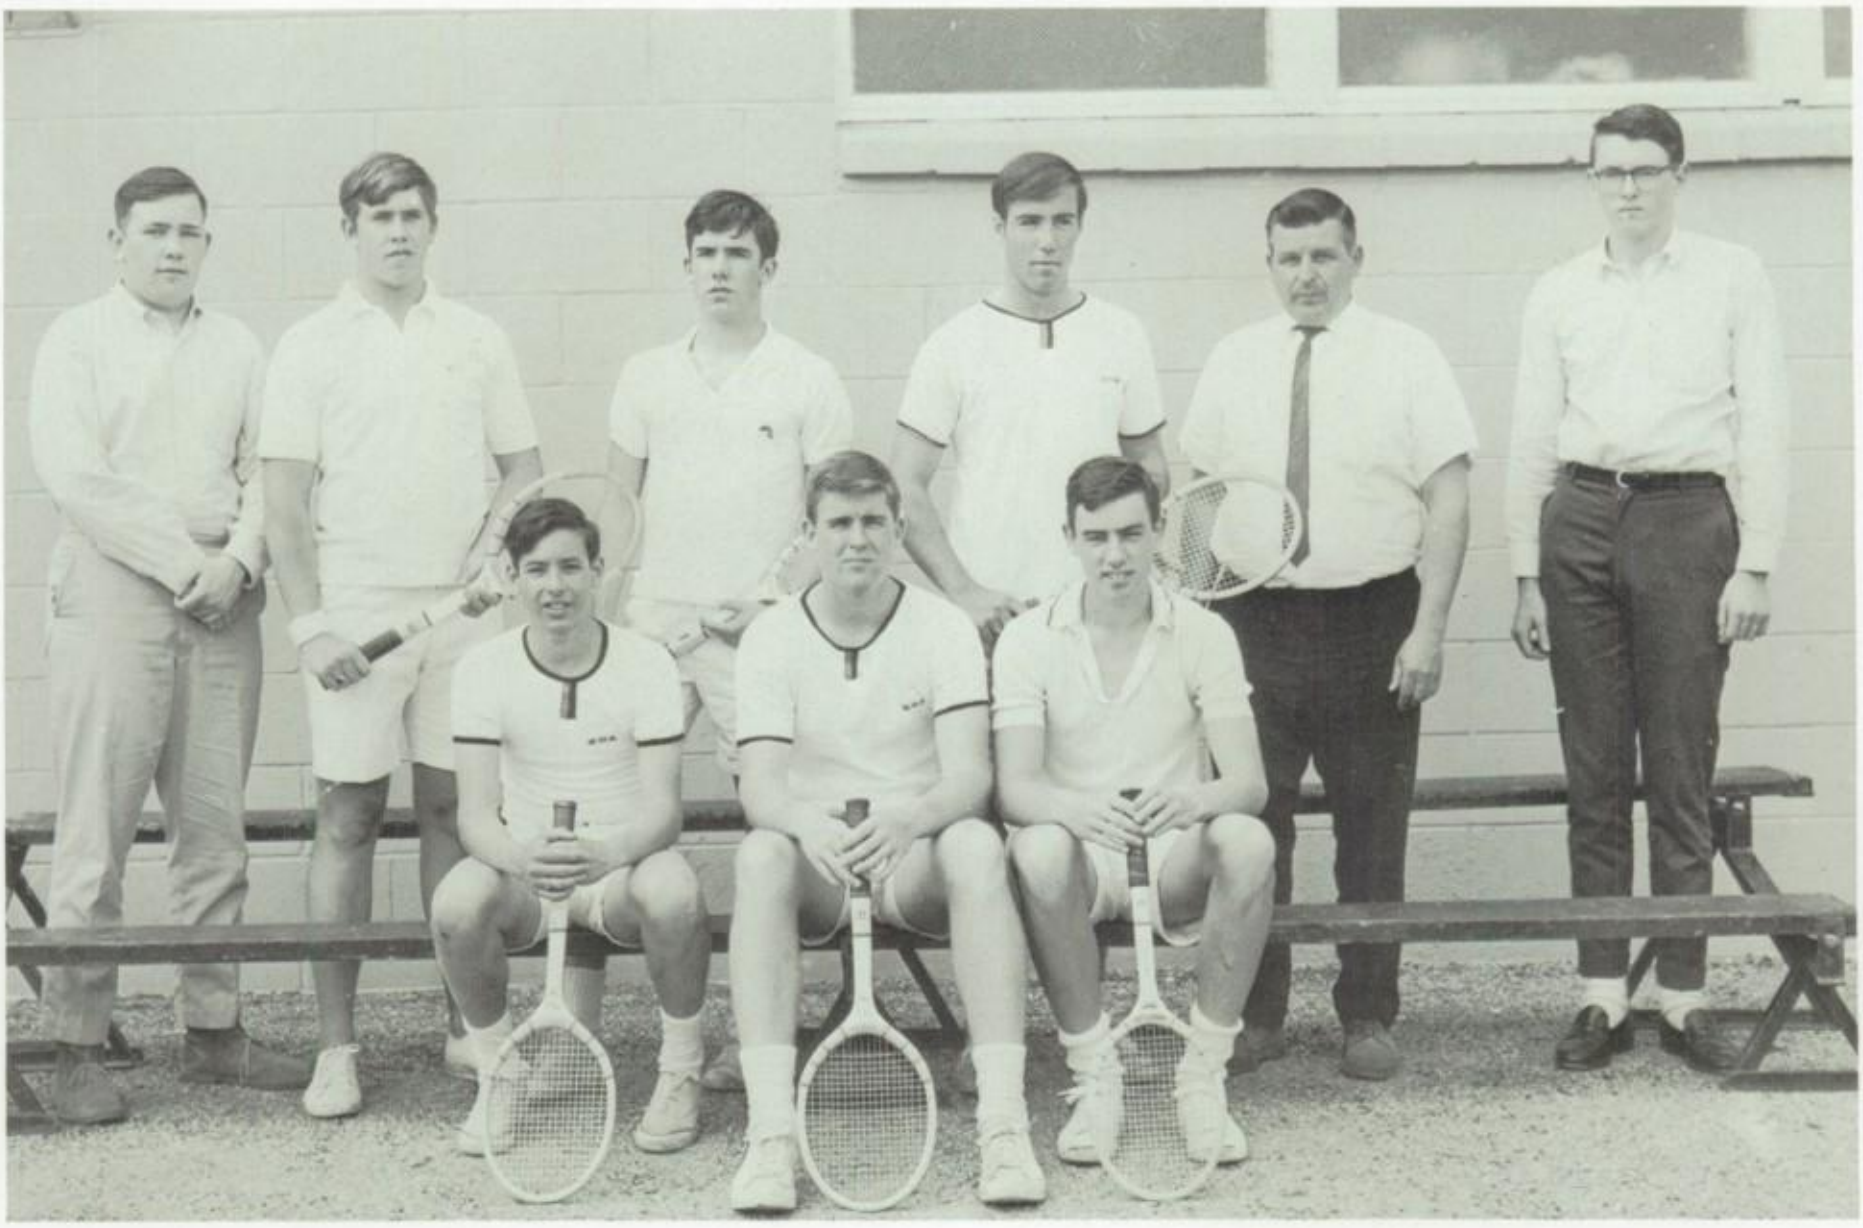
First Row, Left to Right: Heald, Cobb, Balch, Hayes, Morrison, Meyer, Jamback, Devost, Gray. *Second Row, Left to Right:* Denton, Chellis, Pringle, Senuta, Heffron, Cook, M., Merryman, Riley, Mr. Bishop.

JUNIOR VARSITY BASEBALL

Kimball Union's Junior Varsity Baseball team had a break-even, 5-5, record. After losing two games the team shut-out its New Hampton opponent 17-0. Contributing to that successful effort with a home run was Dave Biebel. The team then went on to defeat its LaSalette counterpart by a score of 17-6, but within that week the team faced the strong Vermont Academy nine and went down to defeat by a score of 14-3. In a second contest with LaSalette the J.V.'s repeated their earlier victory by defeating the visitors, 20-5. Those present at that game saw home runs by Fred Cook and Jim Dunsmore.

The team's pitching was fair. Pitchers Bob Meyer and Jim Gray had records of 3-1 and 2-4, respectively.

The team's greatest problem was its nearly total lack of experience, which allowed the opposing teams several unearned runs.

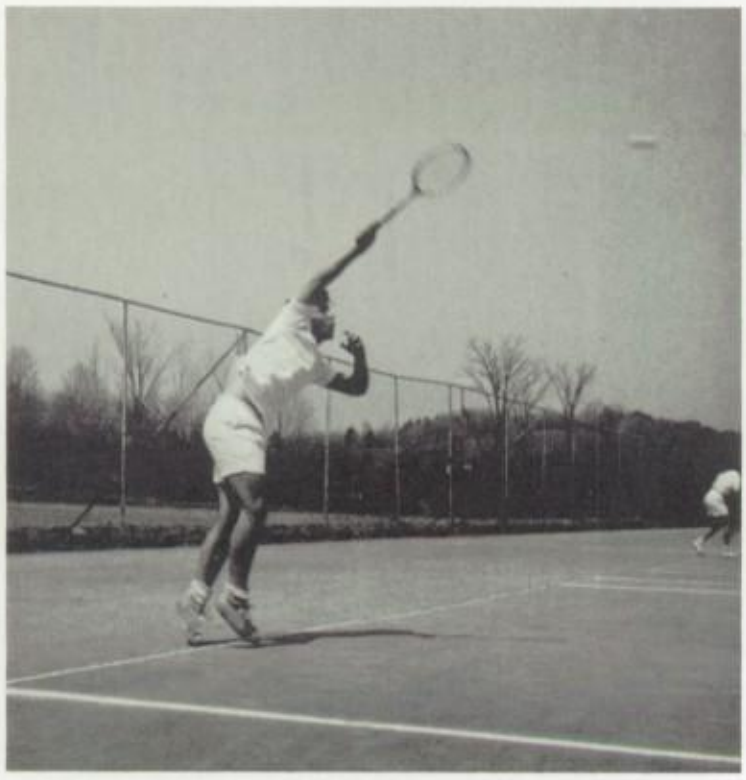


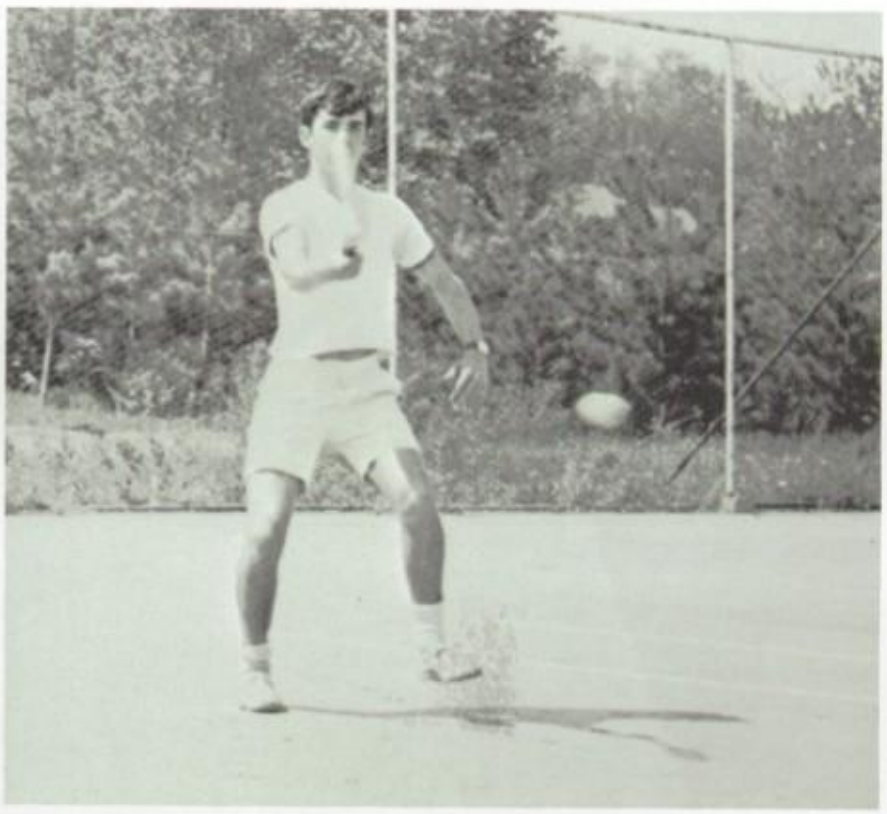
First Row, Left to Right: Sacks, Hynes, MacNeary. *Second Row, Left to Right:* Wallis (Manager), Ladenburg, Dunn, Rowland, Mr. Prescott, Feresten (Manager).

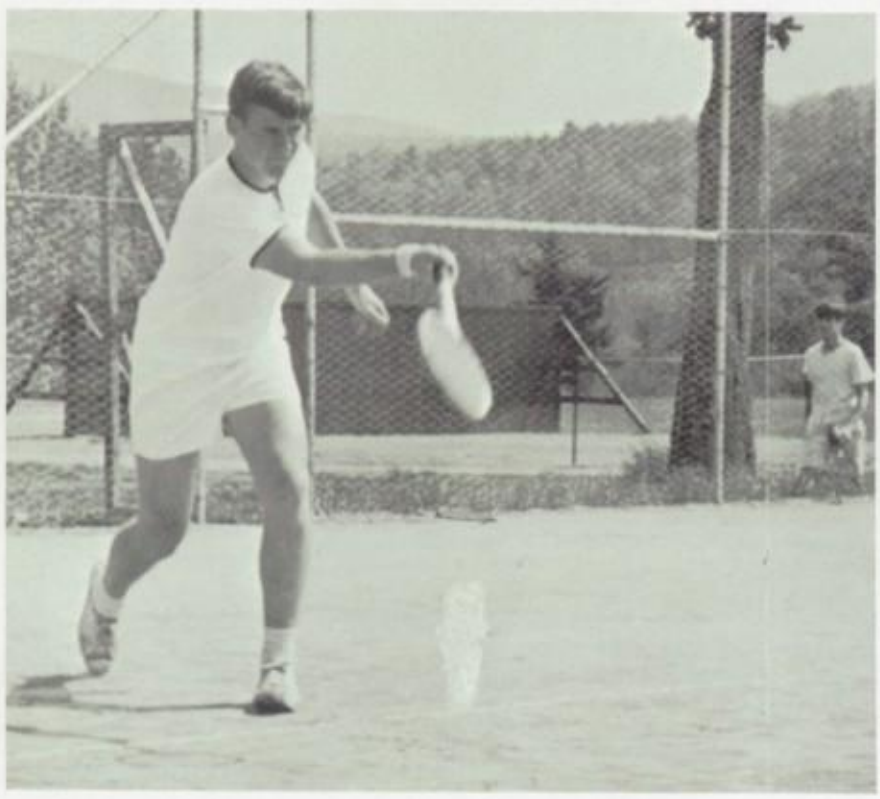
VARSITY TENNIS

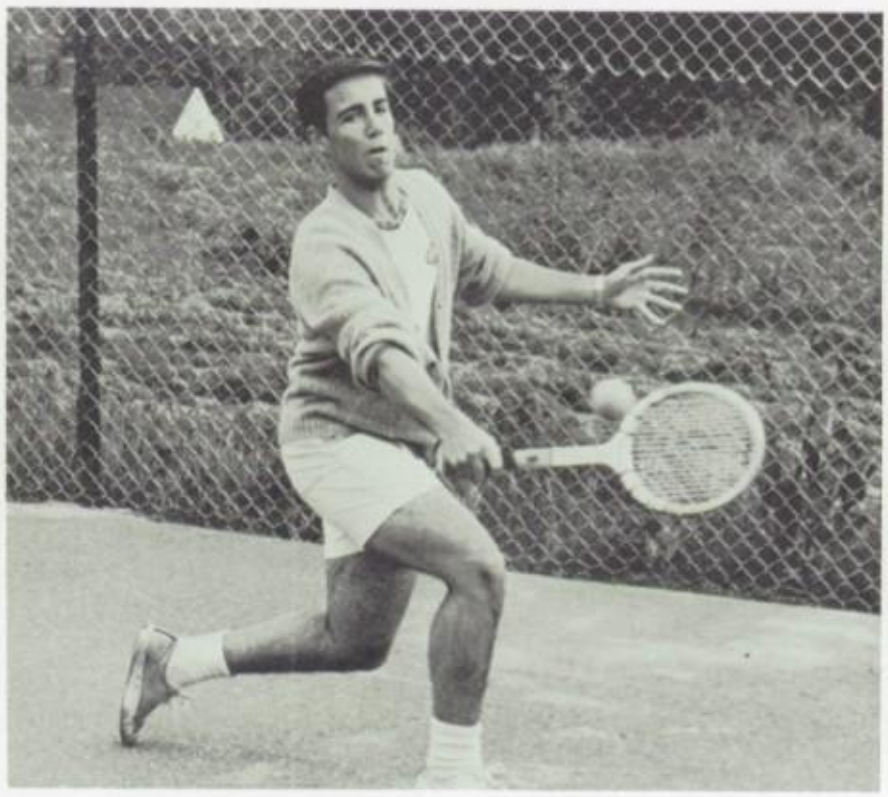
The Varsity Tennis team had a very disappointing season this year despite a display of ability and effort by many of its members. The team lost nine of its ten matches, with its single victory over Cushing Academy by the close score of 5-4. In that match Sacks and Hynes won their sets while Rowland lost his. In the doubles, Hynes, MacNeary, Sacks, and Rowland won.

The team had an unfortunate season largely because of its being unable to practice on the courts until May. Another factor which loomed large in the team's downfall was the fact that two of its top three players were lost early in the season. However, John Hynes, Robert Sacks, and Nils Ladenburg performed well. Captain Tom Rowland, who tried to lead the team to victory, was named recipient of the Donald T. Cooke Tennis Award, while Freshman Eric Hockmeyer received the United States Lawn Tennis Award.







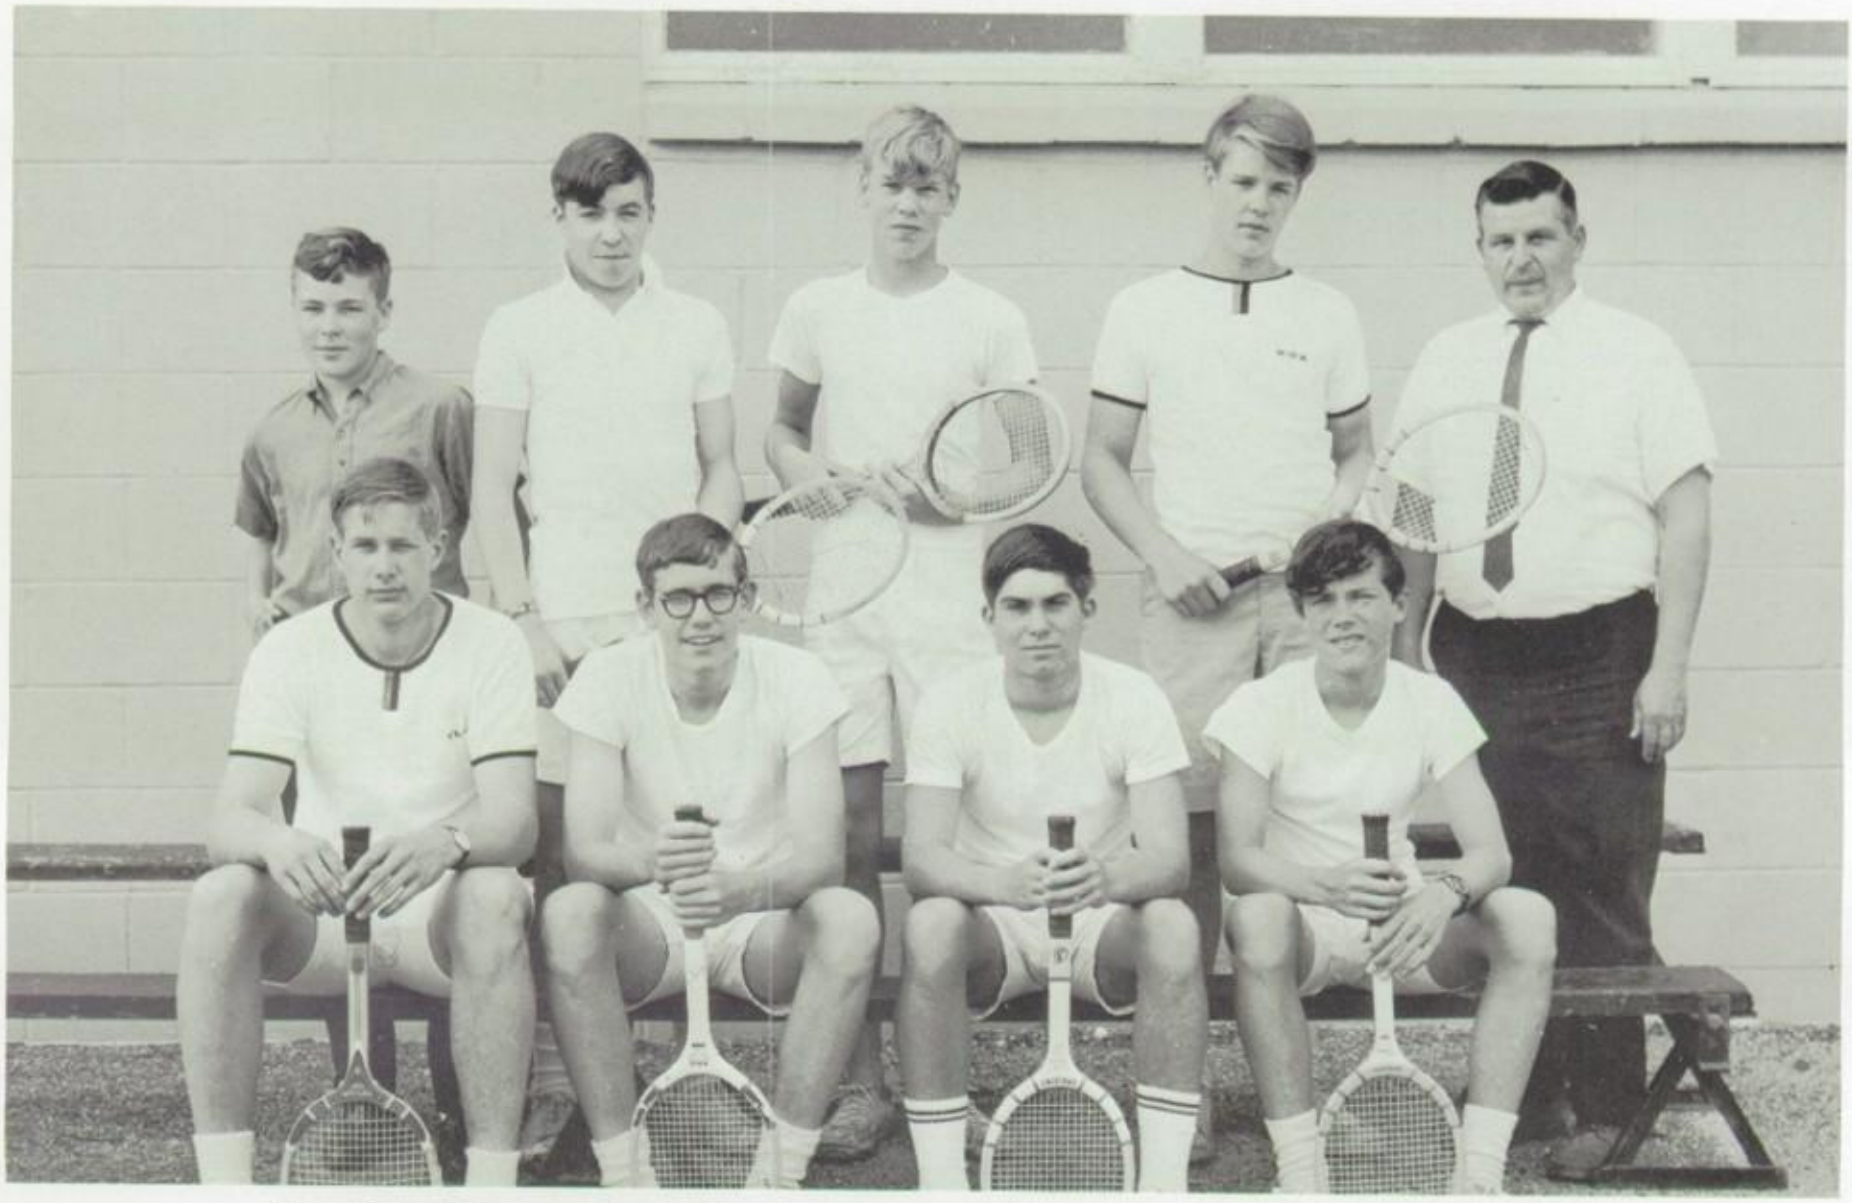


First Row, Left to Right: Randall, Keil, Smith, R., Hockmeyer. *Second Row, Left to Right:* Mr. Carver, Mann, Davis, Hoelle, Daniels.

JUNIOR VARSITY TENNIS

Due to the same poor playing conditions that plagued all the Tennis teams this year the Junior Varsity Tennis team started its season late. The first match was a close one which was lost to New Hampton 5-4. In the first home match, the Holderness J.V.'s were easily defeated 7-2. Then, at V.A., the team lost, 8-1, to the amazingly strong J.V. opposition of Vermont. At Tilton, our J.V.'s, led by undefeated Ken Hakuta, were ahead 4-2 after the singles when the remainder of the match was called off for lack of time.

The J.V. team enjoyed a good, though abbreviated season. The underclassmen who were members of the team offer depth for the future. One such player was Ken Hakuta, chosen for the United States Lawn Tennis Association Award.



First Row, Left to Right: McKee, Dodge, Hopper, Pawley. *Second Row, Left to Right:* Crook, J. (Manager), Hudson, Smith, C., Smith-Peterson, Mr. Prescott.

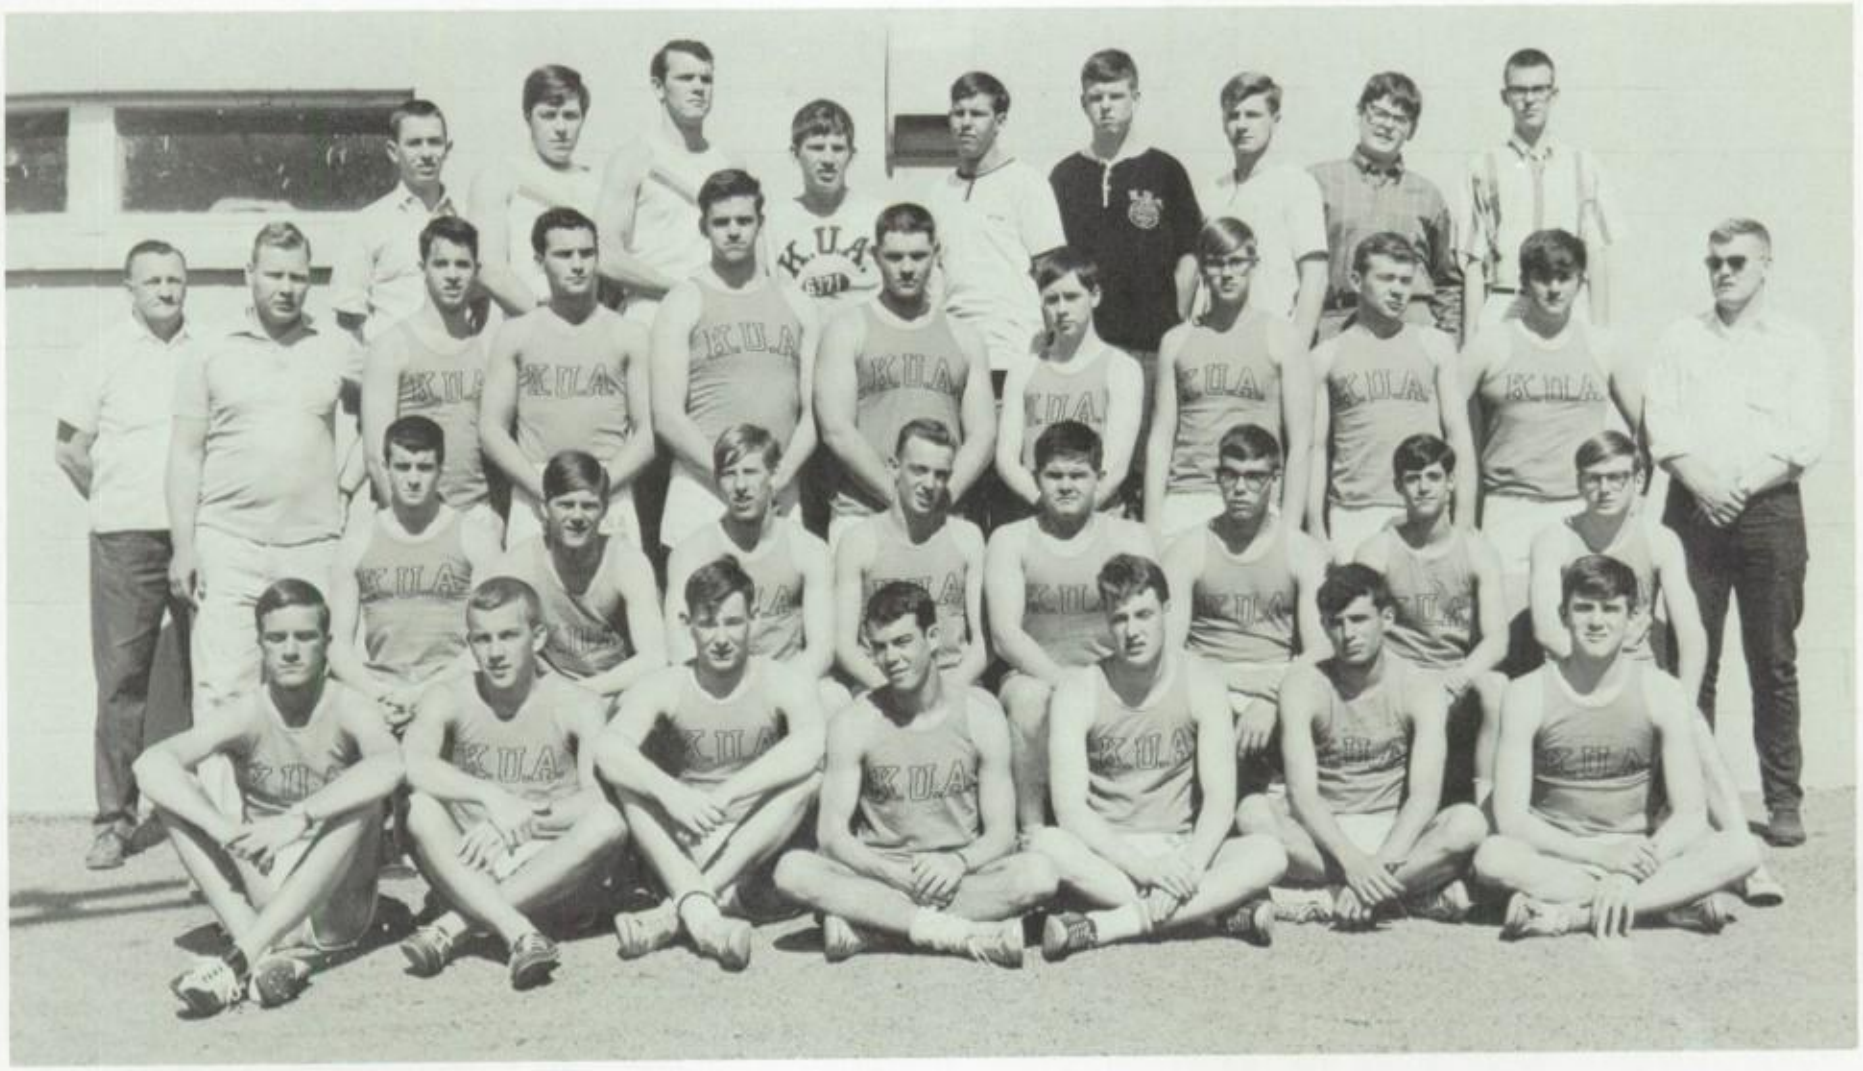
RESERVE TENNIS

The Reserve Tennis team enjoyed a near perfect season this spring. They won three of their four matches and were successful in achieving a remarkable degree of co-operation and cohesion under the able coaching of Mr. Prescott.

The team defeated New Hampton twice and LaSalette once. All three victories were easily achieved by the identical score of 7-2. The sole loss was a hard-fought, narrowly lost match against the New London Varsity.

Team notables were Glen Hudson and Barry Hopper, undefeated in doubles, and Clif Pawley, undefeated in singles and recipient of the United States Lawn Tennis honor.

The team's success is, hopefully, the beginning of a bright era for Kimball Union's recently unsuccessful Tennis teams.



First Row, Left to Right: Reggio, Bailey, Johnson, Wieting, Larigan, Bove, J., Stickney. *Second Row, Left to Right:* Wynn, Rutledge, Adler, Allen, Quinn, Hughes, Jason, Stewart. *Third Row, Left to Right:* Mr. Fuller, Mr. Horan, French, Cronin, Bell, Klykken, Hill, Jackson, Pearce, Burrough, Mr. Ballantyne. *Fourth Row, Left to Right:* McCarrier (Manager), Holland, O'Hare, Rosenfeld, Russem, Barton (Manager), Mahler, Lyle (Manager), Lyman (Manager).

VARSITY TRACK

This year's Track season saw many excellent individual performances as some member of the team placed first in nearly every event. The fact that many underclassmen were outstanding members of the team offers an optimistic outlook for the future. Some of those underclassmen were Kim Adler, Duncan Hill, Nils Klykken, and Jeff Palmer.

In the Vermont Academy meet, against the competition of a strong Vermont team, Kimball Union's Joe Bove broke the school record for the 880 with a time of 2:04.7. Bucky Doria came from the Baseball field and shattered the javelin record with a throw of 158′2″. Yet another school record was broken when Tom Bailey ran the mile in 4:56. A list of other team members who were notable assets must include Steve Kelsey, Steve Larigan, and Herb Sears.

The fact that so many underclassmen contributed so outstandingly to the team offers good prospects for next year. This year's team left three records at which next year's team can aim.

Much credit for whatever success the team achieved is due the three coaches—Mr. Horan, Mr. Ballantyne, and Mr. Fuller.
